

*You are invited to attend the next*  
**Boise Area**  
**Sjögren's Support Group Meeting**

**Tuesday, September 18, 2018**

6:30 p.m. - 8:30 p.m.

**Meeting Location**

**Tree City Church of the Nazarene**

3852 N. Eagle Road; Room 246

Boise (Meridian), Idaho 83646

**Meeting Agenda**

Trisha Nelson, who attended the SSF National Patient Conference held in Denver this past April, will speak to us and respond to questions regarding the latest thoughts, treatments, and issues that were presented by professionals at the conference. We will spend any remaining time assisting each other through a general discussion of our Sjögren's issues.

*(This meeting is open to all, so please encourage anyone you know with SS, or who suspects they may have SS, and any family members interested, to attend. Please share this information with all your doctors and ask their offices to provide it to any SS patients they may have. I find that if you will print the notice and take it to your doctors' office two or three weeks prior to the meeting, they are more likely to pass them on to their patients. We hope to have you in attendance so that we all may learn more about taking care of ourselves, and to help each other in our journey with Sjögren's.)*

**RSVPs are appreciated but not required:**

Richard Bliss, Support Group Co-Leader • (208) 816-3686

Kathy Ellis, Support Group Co-Leader • (208) 921-0613

Sarah Winther, Support Group Co-Leader • (208) 874-2345

*Please call with any questions or for directions.*
