

*Nashville Area  
Sjögren's Syndrome Support Group*

Meeting Location:  
**Brentwood Library**  
8109 Concord Road  
Brentwood, Tennessee 37027

*Join us to network with others affected by Sjögren's Syndrome*

Attending a support group meeting is a great opportunity for Sjögren's patients to join together, talk about living with Sjögren's, learn from knowledgeable guests and network with other patients. We share ideas for resources, products and services.

We want to strengthen networks for Sjögren's patients in the Nashville area. Each meeting will include introductions, "share and care" time and general discussion time. You can feel free to ask questions and openly discuss your concerns. We also host a guest speaker once per year.

(We hold occasional meetings in Hendersonville, if there is enough interest. These will be announced on our Facebook page and through our e-mail list.)

**2019 Meeting Dates (Time: 12:00pm – 2:00pm)**

Our support group meetings will be held on the **THIRD Saturday, every two months from 12:00-2:00pm.**  
*Check at front desk for our location.*

*January 19th*

*March 16th*

*May 18th*

*July 20th*

*September 21st*

*November 16th*
