

You are invited to attend the next
Dallas Area Support Group Meeting

Saturday, March 2, 2019
1:00 p.m.

Meeting Location
University of Texas Southwestern
Outpatient Building
1801 Inwood Road / 4th Floor / Room WA4.102
Dallas, Texas

Guest Speaker:
Steven Taylor

Chief Executive Officer – Sjögren's Syndrome Foundation

Topic: “*State of the Foundation: Changing the Game for Patients*”

Since joining the Foundation as CEO in 2003, Steven Taylor has focused on increasing Sjögren's awareness, changing patient care for Sjögren's patients while also focusing on introducing large research initiatives that will change how Sjögren's is perceived and understood.

At this meeting, Steven will share his vision for the Foundation and provide information about current programs and development activities, especially recent advancements in clinical trials and research breakthroughs.

In addition to sharing a wealth of knowledge about Sjögren's, Steven also brings a big heart and a great sense of humor to all he does. So please bring your questions and ideas and be prepared for a very special meeting!
