NEVCO
 MAXIMIZE YOUR IMPACT®

SCOREBOARDS • VIDEO DISPLAYS • SCORING ACCESSORIES
 MESSAGE CENTERS • AUDIO SOLUTIONS • SCORERS TABLES

For over 80 years, and over 100,000 installations worldwide, the Nevco name has become synonymous with customer service and high quality products that are built to last. Nevco works with each client to conceptualize, design, and manufacture state-of-the-art, custom video displays and scoring solutions for stadiums and fields such as:

- Minor League Ballparks
- Large Independent League Stadiums
- Colleges and Universities
- High Schools
- Community Little League Fields

Louisville Slugger Sports Complex, in Peoria, Illinois, worked with Nevco on their video display and scoring solution for Petersen Hotels Field which includes:

20mm Full Color LED Video Display

Model 1603 Scoreboard complete with Electronic Team Names

Field signage and an open-air decorative arch truss

Nevco's proprietary Display Director™ Software allows game-day operations to be easily managed through one, universal, touchscreen operating system.

COLUMBUS STATE UNIVERSITY

- (Columbus, GA)
- 20mm Full Color LED Video Display

- Decorative Arch Trusses with Two Color Letters
- Team/Field Identification Signage
- Protective Nets

INNOVATIVE OUTDOOR SOLUTIONS

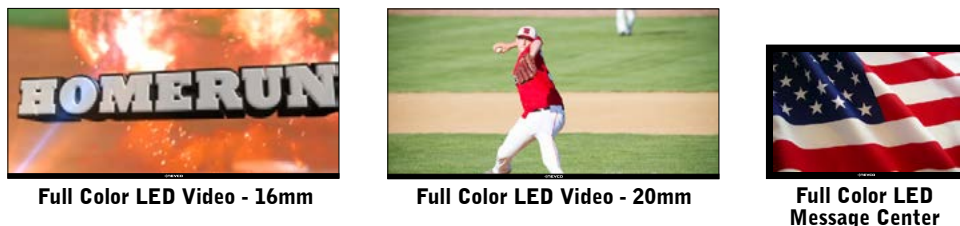

Are you ready to give your fans that big-league experience? Video displays, professional sound, distinctive trusses, and sponsorship signs. Now more than ever, leading colleges, universities, high schools, and community stadiums think of these features as must-have, standard components. Nevco has the experience to help you design and install a big league video display and scoring solution to surpass the competition.

CUSTOMIZE YOUR VIDEO DISPLAY & SCORING SOLUTION

1 PICK YOUR SCOREBOARD

2 PICK YOUR DISPLAY

3 PICK YOUR GRAPHICS AND ANIMATIONS

4 PICK YOUR DECORATIVE ACCENTS

INNOVATIVE OUTDOOR SOLUTIONS

Nevco's innovative products are manufactured with superior quality and designed for flexibility and integration among our entire product line. That means we can be your trusted partner for all of your scoring, display, and audio needs and you only have one number to call. Give your fans the ultimate game-day experience and leave a lasting impression with a custom-designed video display and scoring solution.

5 PICK YOUR SOUND

PERSONALIZED VIDEO DISPLAYS & SCORING SOLUTIONS

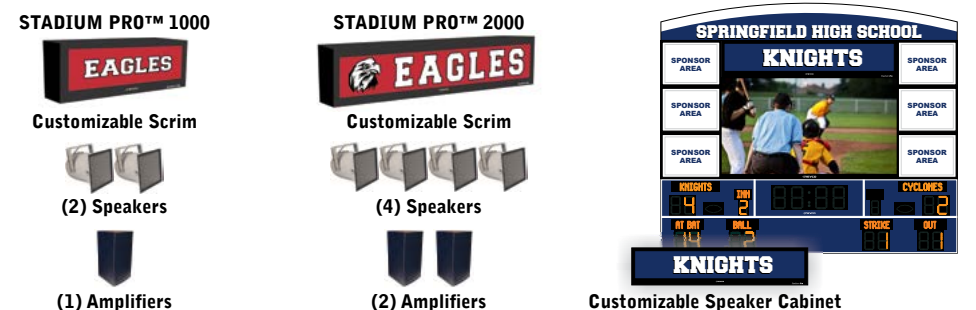

STADIUM PRO™ SOUND SERIES

Be loud and clear with Nevco's Stadium Pro™ Sound. From the national anthem, to player introductions, to "play ball!" the Nevco Stadium Pro™ Sound System ensures that players, parents, and fans have the ultimate game-day experience.

Specifically designed for the athletic market, Nevco's Stadium Pro™ line interfaces with Nevco scoreboards and video displays to provide a single-point system, located at the scoreboard, allowing fans to hear the game like never before.

The systems are housed in weatherproof cabinets that can be discreetly incorporated into the scoring solution and come with a customizable scrim allowing you the ultimate in personalization.

VIDEO DISPLAYS & SCORING SOLUTIONS

Nevco's video displays and creative services will help you excite and engage your fans from the first pitch to the last out. An LED video display is more than a scoreboard - virtual scoring, instant replays, crowd-engaging fan prompts, and limitless revenue-generating opportunities allow you to communicate and captivate like never before.

POPULAR BASEBALL/SOFTBALL SCOREBOARDS

Models available for both baseball and softball.

Some of our most popular scoreboard models and sizes. For a complete list of scoreboards, go to nevco.com/scoreboards/baseball

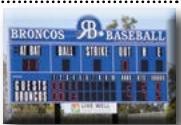

MODEL 1604 - 28'W X 8'H

Complete inning-by-inning scoreboard that includes a large area for logo or team name. Player at bat, balls, strikes, outs, team runs, team hits, and team errors all prominently featured.

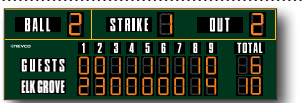

MODEL 1606 - 24'W X 8'H

An inning-by-inning scoreboard that includes player at bat, balls, strikes, outs, team runs, team hits, and team errors.

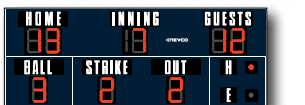

MODEL 1608 - 18'W X 6'H

Our smallest inning-by-inning scoreboard with balls, strikes and outs.

MODEL 1635 - 16'W X 6'H

Standard baseball/softball scoreboard that includes balls, strikes and outs. Hits and errors are indicated with bulls-eye indicators.

MODEL 1610 SCOREBOARD - 10'W X 4'H

The basic scoreboard generally used for little league or junior high fields. Balls, strikes, and outs are indicated with bullseye indicators.

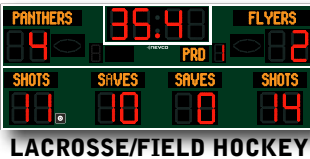

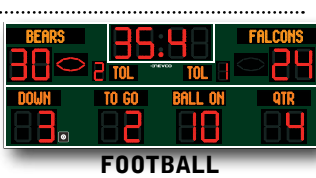

MODEL 1650 - 8'W X 3'H

Compact but Powerful. The smallest basic scoreboard generally used for park and recreation fields. Balls, strikes and outs are indicated with bulls-eye indicators.

MULTISPORT SCOREBOARDS WITH INTELLIGENT CAPTIONSTM

Play more than one sport on your field? Intelligent Caption™ scoreboards change automatically between football, soccer, baseball/softball, lacrosse, or field hockey scoring information. Digital captions and Electronic Team Names allow you the flexibility to customize the team name for every team that plays at your facility and electronically change the captions to match the sport you're playing with the simple press of a button.

ACCESSORIES & UPGRADES

Nevco has a breadth of products and services to maximize your impact with fans. Add a professional touch to your facility by adding any of these accessories or upgrades to your new or existing Nevco scoreboard.

PITCH SPEED DISPLAY

True digital radar system provides superior performance and accuracy. Peak Hold feature allows gun to automatically hold or recall the peak speed. Includes wireless transmitter, receiver, maintenance-free enclosure boxes and cables.

MODEL PSD-6B

Size: 4' x 4' x 8" (1.22 x 1.22 x .20 meters)

Digit Size/Color: 30" High Intensity Red or Amber

Approx. Hanging Weight: 50 lbs (23 kg)

STALKER RADAR GUN PACKAGE

The Stalker Radar Gun is a powerful, and easy to use baseball solution. Quickly and easily measure pitching and running speeds with (2) active speed windows.

Stalker Baseball Guns dramatically outperform other "toy radar" guns. Simple operation, certified accuracy, greater range, true pitch speeds, and consistent readings every time.

- 300 foot range
- Accurate to +/- 3% of reading
- Measure speeds from 5 - 150 MPH

PITCH TIMER DISPLAY

Track time between pitches to comply with collegiate or other rules and speed up rate of play. Easily viewed by the umpires, coaches, players and fans.

MODEL 9620

Size: 4' x 3.5' x 8" (1.22 x 1.07 x .20 meters)

Digit Size/Color: 24" High Intensity Red or Amber

Approx. Hanging Weight: 40 lbs (18 kg)

PITCH COUNT DISPLAY

Protect young players from excessive throws. Designed to help support little league and school league pitch limit rules.

MODEL PCD

Size: 5' x 3' x 8" (1.52 x 0.91 x .20 meters)

Digit Size/Color: 14" High Intensity Red or Amber

Approx. Hanging Weight: 60 lbs (27 kg)

MPCX2 HANDHELD CONTROLLER

Small and lightweight control perfect for smaller facilities or to operate auxiliary scoreboards. Convenient wireless operation within 1000'. Operates multiple scoreboards simultaneously. System allows multiple controllers to link to a single scoreboard. A great tool for coaches - run the scoreboard in practice from the palm of your hand without connecting table-top controller. Preserve your MPCW-7 Controller for main sporting events at your facility while utilizing the MPCX2 to control all youth and secondary sporting events. Operates on two AA batteries and includes a built-in battery indicator.

Size: 3.25" x 5.5" x .875" (0.08 x 0.14 x 0.02 meters)

Digit Size/Color: Bright 32 Characters LCD Display

Approx. Hanging Weight: 5.5 oz (.16 kg)

SCORBITZ™ - REVENUE GENERATION AND STREAMING SCORES

Stream Scores to Mobile Devices

By adding a simple Nevco/Scorbitz™ gateway device to your Nevco scoreboard solution, you can automatically share your scoreboard data, time and score in real time with fans on their smart phones. You can also share your team's schedules with your fans so they know when to tune in. Plus, Scorbitz™ can offer a new revenue stream for your athletic program through advertising in the app.

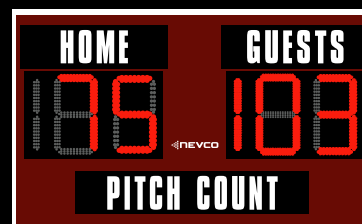

PROTECT YOUR PLAYERS WITH PITCH COUNT DISPLAYS

Pitch count limits are becoming crucially important in the world of youth recreational leagues with the passing of state-wide mandated limits across the country. Such guidelines are being monitored and enforced in an effort to prevent adolescent pitchers from overexertion.

Are you protecting your players?

LET NEVCO DO THE COUNTING FOR YOU

Nevco Pitch Count Displays conveniently count pitches for both the home and guest teams. Don't have a Nevco scoreboard? Our Pitch Count Displays can be incorporated into an existing scoreboard or stand alone and are available in 5 different sizes:

5'W x 3'H x 8"D

8'W x 1.5'H x 8"D

10'W x 2'H x 8"D

16'W x 2'H x 8"D

18'W x 2'H x 8"D

MPCX2: TRACK PITCH COUNTS WITH EASE

Have your designated pitch counter operate your Pitch Count Display easily with our MPCX2 Pitch Count Handheld Control!

Nevco Pitch Count Displays can be added on to any Nevco Scoreboard or non-Nevco Scoreboard when paired with this control.
