nevco

MAXIMIZE YOUR IMPACT®

VIDEO DISPLAYS • SCOREBOARDS • SCORERS TABLES
MESSAGE CENTERS • AUDIO SOLUTIONS

Nevco designs and manufactures state-of-the-art, custom scoring solutions for any venue. Whether you're looking for a traditional, yet impactful, center-hung scoreboard or a jaw-dropping LED Video Display with 360 degree LED rings complete with scorers tables and shot clocks, an experienced Scoring & Display Consultant will work with you throughout the entire process.
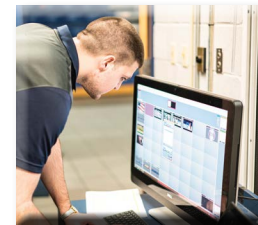

The University of North Florida in Jacksonville, FL, worked with Nevco to outfit UNF arena with Nevco's breadth of basketball scoring and display solutions.

4-Sided 6mm Full Color LED Video Display
(2) 10mm Full Color LED Video Rings

40' 10mm Full Color LED Scorers Tables

(2) Custom Scoreboards
End of Period (EOP) Lights
(8) Locker Room Clocks
SSC-T5 Shot Clocks

Nevco integrated their custom Display Director™ video software with the University's ESPN3 Video production. Nevco's proprietary Display Director™ software allows UNF's game-day operations to be easily managed through one, universal, touchscreen operating system.

Read more about how UNF partnered with Nevco to design their customized scoring solution, and the consultative process Nevco utilizes:

KEY FEATURES OF OUR STANDARD INDOOR VIDEO DISPLAYS:

4 week lead time. No other manufacturer in the industry can match our agility and manufacturing best practices to deliver the highest quality product quickly.

Industry's best pricing. Our base package allows you to comfortably invest in a video display today and start generating additional sponsorship revenue.
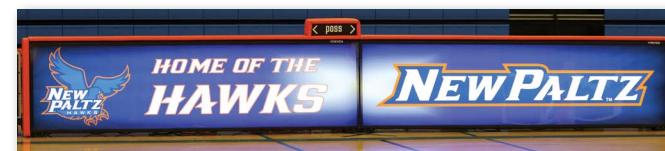

Enhance as you grow. Invest in a base package today, begin generating revenue, and as your game-day operator's knowledge of the system grows, you can add functionality such as virtual scoring and live camera feeds in the future.

Manufacturing excellence. American made, leading LED technology, and all products are made to UL Standards, the highest standards in the industry.

Lightweight design and low power consumption. All video displays are constructed with our proprietary aluminum cabinet design helping lower installation costs; and energy efficient designs help reduce power consumption.

Display Director™ software included. With the investment in one of Nevco's Standard Indoor Video Displays, you also receive Display Director™, the industry's most innovative, affordable, and easy-to-use video display software.

The importance of keeping your crowd engaged and excited, and providing your fan-base live, up-to-date game-time information has never been more important. Enhance your fan's experience, your game-day atmosphere, and allow your fans to follow your team with any of these additional products from Nevco.
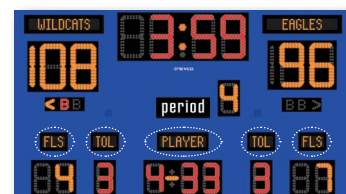

INTELLIGENT CAPTIONS™

Intelligent Captions™ by Nevco are the most technologically advanced multi-sport scoreboards in the industry. With electronic team names and electronic caption plates, Intelligent Caption™ scoreboards offer the most accurate scoring possible, allowing you to customize the scoreboard to your team and your sport, every time.

MODEL 2785 - 12'W X 7'H

BASKETBALL MODE

VOLLEYBALL MODE

WRESTLING MODE

MODEL 2780/2781 - 10'W X 5'H

MODEL 2770 - 8'W X 6'H

The full-feature multi-sport scoreboard that includes time outs left for multi-sport compatibility. Combine four (4) 2770's and custom wedge panels to create a center-hung scoring display.

Models shown with optional Electronic Team Names.

MODEL 2750 - 8'W X 6'H

One of the most popular multi-sport models. Combine four (4) 2750's and custom wedge panels to create a center-hung scoring display.

Models shown with optional Electronic Team Names.

MODEL 2700 - 8'W X 3'H

Perfect for any sport with scoring. Typically used in small facilities or as a secondary scoring option. Combine four (4) 2700's and custom wedge panels to create a center-hung scoring display.

Models shown with optional Electronic Team Names.

END OF PERIOD (EOP) LIGHTS

Automatically lights at the end of the period. Invisible when not lit. Bright, long-lasting, energy-efficient LEDs. Easily installed on most major backboard brands, connects to main scoreboard control.

Size: EOP1-42 for 42" tall backboards
EOP1-48 for 48" tall backboards
Digit Size/Color: High Intensity Red
Approx. Hanging Weight: 9 lbs (4 kg)
Controls Available: MPC (Wired), MPCW (Wireless), MPCX$_2$

STAT DISPLAY SET

Display stats for up to six players with time outs left and a built-in horn. Image shown with optional Electronic Captions. Integrates with Stat Crew® software (sold separately).

Size: 3' x 8' x 8" (1.52 x 2.42 x .20 meters) each panel
Digit Size/Color: 9" High Intensity Red and Amber
Approx. Hanging Weight: 150 lbs (68 kg) each panel
Caption Types Available: RL, NL, EC (shown)
Controls Available: MPC (Wired), MPCW (Wireless)

MPCX$_2$ WIRELESS HANDHELD CONTROL

Small and lightweight control perfect for smaller facilities or to operate auxiliary scoreboards. Convenient wireless operation within 1000'. Operates multiple scoreboards simultaneously. System allows multiple controllers to link to a single scoreboard. A great tool for coaches - run the scoreboard in practice from the palm of your hand without connecting table-top controller. Operates on two AA batteries and includes a built-in battery indicator. Built-in wireless strength meter and internal antenna.

**Size:** 3.25" x 5.5" x .875" (0.08 x 0.14 x 0.02 meters)
Digit Size/Color: Bright 32 characters LCD display
**Approx. Hanging Weight:** 5.5 oz (.16 kg)

INTEGRATED LIVE STATS

The Nevco scoring and timing interface for Stat Crew® software sends game statistics directly from the Stat Crew® software to an LED matrix display or Nevco Stat Panels.This significantly reduces the operating requirements while increasing the game experience for players, coaches and fans by showing official game stats on Nevco displays throughout the venue.

- **Saves Cost** - Operate Stat Panels or hybrid scoring displays automatically, eliminating the need for an extra person to track/post data.

- **Saves Space at the Scorers Table** - With automatic data transmission from Stat Crew® to Nevco products, you free up a seat at the scorers table.

SCORBITZ™ - REVENUE GENERATION & STREAMING SCORES

Stream Scores to Mobile Devices
By adding a simple Nevco/Scorbitz™ gateway device to your Nevco scoreboard solution, you can automatically share your scoreboard data, time and score in real time with fans on their smart phones. You can also share your team's schedules with your fans so they know when to tune in. Plus, Scorbitz™ can offer a new revenue stream for your athletic program through advertising in the app.

Add a professional touch to your facility and maximize your players, fans, and sponsors' experience with integrated scoring accessories and exciting graphics.

SHOT CLOCK WITH GAME TIMER

Nevco's Slim Shot Clock series is the ultimate in durability and flexibility.

Available in several sizes and all models can be built as single sided, double sided, and three sided configurations.

Durable Lexan face and lightweight aluminum cabinet can withstand heavy impact from basketball.

Integrates with Nevco accessories, such as End of Period (EOP) lights and Locker Room Clocks.

Model SSC-7 **Model SSC-T5** **Model SSC-T9**

Single Sided **Double Sided** **Three Sided**

All sizes available in multiple configurations and can be mounted to backboards or wall mounted.

MODEL	SIZE	WT.	DIGIT SIZE
