INTEGRATED DISPLAY AND SCORING SOLUTIONS

SCOREBOARDS • VIDEO DISPLAYS • SCORING ACCESSORIES
MESSAGE CENTERS • AUDIO SOLUTIONS • SCORERS TABLES

For more than 80 years and over 100,000 installations, Nevco has specialized in scoreboards, video displays, stadium sound, and scoring accessories at the high school, collegiate & professional level to give you the best lineup of products in the industry.

The name of the game is sight, distance and angle. It's not only about what the coaches and officials can see. It's about what every fan wants to see and how well they can see it. Our Display and Scoring Consultants have the experience to help you build your perfect scoring solution. From the 50 yard line to the end zone, fans want to follow all the action as clearly as possible from any seat in the stadium. No matter the scoreboards nor the distance, Nevco delivers clarity and accuracy.

Deer Park ISD, in Deer Park, Texas, selected Nevco for their football scoreboard and video display for Abshier Stadium. This custom scoring solution includes:

HYPE CREATIVE SERVICES

What's all the HYPE?

HYPE Creative Services, a division of Nevco, can help fill your seats for every game. If you've already made an investment in a video display or you're thinking about it, realize even more opportunities to feature your players, engage your fans, and generate additional profits. HYPE has experience producing high quality video graphics for some of the most recognizable teams in professional and collegiate athletics.

What can HYPE create for you?

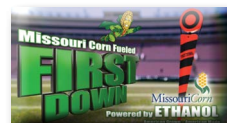

Pre-game open intros: Get your fans excited for kick-off showcasing your team's pride and enthusiasm.

Head-shot templates: Your players are the stars so make team announcements more visually appealing.

Revenue generating sponsorship graphics: Add a professional element to your sponsor's investment.

Engaging in-game fan prompts: Get your fans on their feet and engaged in every play.

HYPE can create a custom package to best accommodate your stadium's unique style and needs. Fill your seats for every game by providing your fans an exciting and engaging in-game atmosphere with the help of HYPE Creative Services!

Here are some of our most popular football models and examples of how customers further customized the look of their scoreboard. To see our full product selection of football scoreboards, visit <http://nevco.com/shop/scoreboards>

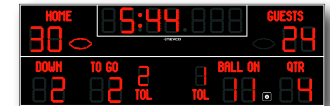

MODEL 7688 SIZE: 32'W X 8'H

Introducing our largest Intelligent Caption scoreboard. Perfect for any team looking to make a big impact on the field. Allows you to score football, soccer, track, lacrosse, field hockey, and baseball/softball.

MODEL 7685 SIZE: 24'W X 8'H

One of our larger Intelligent Caption scoreboards. Allows you to score the same sports as the 7688.

MODEL 7630 SIZE: 24'W X 8'H

The 7630 is a complete multi-sport scoreboard with 1/10th of a second timing. Track captions available with FinishLynx® interface from Nevco.

MODEL 3685 SIZE: 24'W X 8'H

Large Intelligent Caption scoreboard allows you to score football, soccer, lacrosse, field hockey, baseball/softball. Includes a large area under the clock for team mascots or sponsor logos.

MODEL 3680 SIZE: 18'W X 8'H

Smaller version scoreboard with same multi-sport scoring features as the 3685.

MODEL 3634 SIZE: 18'W X 8'H

One of our most popular scoreboards that includes time outs left. Ball possession can be indicated as a "P" in the T.O.L. digits.

MODEL 3619 SIZE: 24'W X 8'H

Popular model that allows for customization by including mascot, sponsorship, or logo in space below the clock.

MODEL 3614 SIZE: 18'W X 8'H

One of our most popular scoreboards that includes possession indicators.

Nevco has a breadth of products and services to maximize your impact with fans. Add a professional touch to your facility by adding any of these accessories or upgrades to your new or existing Nevco scoreboard.

FACILITY ENTRANCE MARQUEE

Leave a lasting impression on visitors to your campus and athletic facility with an eye-catching Nevco Marquee. Available in several different sizes and configurations, Nevco offers a wide variety of outdoor message centers to effectively announce important information to your community.

From simple event messages on a single-color (monochrome) system to the ability to display full color graphics, Nevco has the perfect line of products to help you reach your audience.

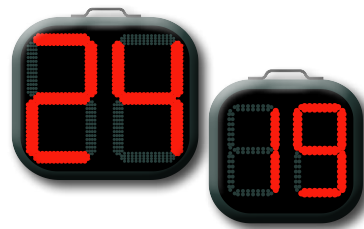

Use your outdoor LED Marquee to:

- Welcome students and visitors
- Announce events and programs
- Inform students, parents, and faculty of important messages
- Recognize academic and athletic accomplishments
- Display time, temperature, weather forecasts and other messages

SEGMENT TIMERS

Model SEG-14 & Model SEG-18: Segment Timers are ideal for any sport practice. Up to 40 programmable segments. Portable hand-held control allows programming independent of display. Lithium Ion Battery powered. 6+ hours of operation. Available with 14" or 18" LED digits in Red or Amber. Can also be used as a Delay of Game Timer or Shot Clock.

Size: 29" x 24" x 9" (.74 x .61 x .23 meters)
 22" x 21" x 9" (.56 x .53 x .23 meters)
Digit Size/Color: High Intensity Red or Amber
Approx. Hanging Weight: 18 lbs. (8.16 kg)
 16 lb. (7.26 kg)

DELAY OF GAME TIMER

Model DGT-6: A perfect accessory for any facility, the 30" digits are easily visible by the quarterback from anywhere on the field. Nevco Delay of Game Timers are compatible with any scoreboard from any manufacturer.

Size: 4' x 4' x 8" (1.22 x 1.22 x .20 meters) each
Digit Size/Color: 30" High Intensity Red
Controls Available: MPC (Wired), MPCW (Wireless), MPCX2 (Hand-held Wireless)
Approx. Hanging Weight: 50 lbs. each (23 kg)

MPCX2 HAND-HELD CONTROLLER

Small and lightweight control perfect for smaller facilities or to operate auxiliary scoreboards. Convenient wireless operation within 1000'. Operates multiple scoreboards simultaneously. System allows multiple controllers to link to a single scoreboard. A great tool for coaches - run the scoreboard in practice from the palm of your hand without connecting table-top controller. Preserve your MPCW-7 Controller for main sporting events at your facility while utilizing the MPCX2 to control all youth and secondary sporting events. Operates on two AA batteries and includes a built-in battery indicator. Built-in wireless strength meter and internal antenna.

Size: 3.25" x 5.5" x .875" (0.08 x 0.14 x 0.02 meters)
Digit Size/Color: Bright 32 Characters LCD Display
Approx. Hanging Weight: 5.5 oz (.16 kg)

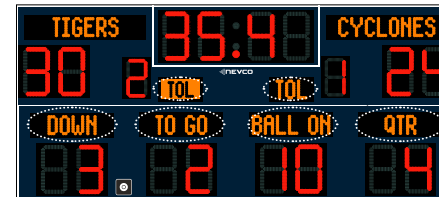

SCORBITZ™ - REVENUE GENERATION AND STREAMING SCORES

Stream Scores to Mobile Devices

By adding a simple Nevco/Scorbitz™ gateway device to your Nevco scoreboard solution, you can automatically share your scoreboard data, time and score in real time with fans on their smart phones. You can also share your team's schedules with your fans so they know when to tune in. Plus, Scorbitz™ can offer a new revenue stream for your athletic program through advertising in the app.

Intelligent Captions™ by Nevco are the most technologically advance multi-sport scoreboards in the industry. With electronic team names and electronic caption plates, Intelligent Caption™ scoreboards offer the most accurate scoring possible. Just turn on your wired or wireless controller and the Intelligent Captions™ automatically display sport specific captions for whatever sport you're playing. Compare Intelligent Captions™ against traditional, manual caption plates and see the difference.

FOOTBALL

Electronic Team Names (ETN's) allow you to customize the team name for every team that plays at your stadium.

Intelligent Captions™
 CHANGE AUTOMATICALLY
 between multiple sport modes!

SOCCER

BASEBALL / SOFTBALL

FIELD HOCKEY

LACROSSE

OUTDOOR MULTI-SPORT SOLUTIONS

Intelligent Captions™ by Nevco are one of the industry's first lines of intelligent scoreboards, which feature electronic team names and electronic caption plates for the most accurate scoring possible with no maintenance. Intelligent Caption scoreboards use LED caption matrixes to display sport specific captions. Just turn on your wired or wireless controller and the Intelligent Captions automatically display sport specific captions for whatever sport you're playing.

Outdoor Intelligent Caption™ Boards can score:

- Football: Down, Yards to Go, Ball On and Quarter
- Soccer: Shots, Saves, Corner Kicks, Penalty, Player In / Player Out
- Field Hockey: Shots, Saves
- Lacrosse: Shots, Saves, Penalty Timer (with optional upgrade)
- Track: Event, Place, Round, Heat*
- Baseball / Softball: Ball, Strike, Out, At Bat, Inning

Other Features:

- Automatic and instant caption selection
- Operates with wired or wireless controls
- No caption plates to change (put that ladder away)
- Available in 18-ft, 24-ft, 32-ft widths
- Electronic Team Name (ETN) option included as a standard feature

*Requires FinishLynx®
