DESIGN & EXECUTE YOUR VIDEO DISPLAY WITH THE NEVCO PROCESS

When you choose the Nevco Difference for your facility, you're choosing a partnership that lasts far longer than then length of your project. Every Nevco video display comes with the highest quality software, graphics, and a dedicated team to ensure your project is a success from start to finish. When you invest in a Nevco video display, here's what you can expect:

Beginning Phases

In the initial phases of your project you will be assigned to an experienced Video Consultant who will serve as your partner through the entirety of the project. Your Consultant will provide:

- Customized designs with optimal video size for your facility (based on your goals and budget constraints)
- Control Room expertise
- Marketing assets to help you gain buy-in from other stakeholders

Manufacturing & Installation

Once your key objectives are identified and the design of your display is finalized, your consultant will:

- Develop all comprehensive specifications with accompanying mechanical and electrical drawings and installation plan
- Construct manufacturing and installation timeline, with on-time delivery
- Arrange planning meeting with all functional departments so that all elements are in place prior to installation

Project Completion

After successful completion of your display's installation, your Video Consultant and the Nevco team will set your team up for success by:

- Conducting on-site training for all staff using the equipment, and first game support to ensure operators' comfort with the system
- Providing complete life-time service support
- Serving as a partner and informational resource to your school

With your Nevco Video Display, you can expect professionally designed, sport-relevant, 3D graphics pre-loaded to your software so you're game-day ready.

SCOREBOARDS FOR EVERY SPORT

MODEL 3655 SIZE: 16'W X 5'H

Mid-size multi-sport scoreboard most commonly used to score both soccer and football. Graphical rendering shown with optional Electronic Team Names (ETNs) that allow you to customize the team name for every team that plays at your facility.

MODEL 3650 SIZE: 10'W X 4'H

The perfect auxiliary scoreboard for smaller soccer fields.

LACROSSE

MODEL 5635 SIZE: 18'W X 8'H

Our most popular lacrosse scoreboard designed with 2 penalty timers and the option to add-on a Model 5633 penalty timer later on! Graphical rendering shown with optional Electronic Team Names (ETNs) that allow you to customize the team name for every team that plays at your facility.

MODEL 5625 SIZE: 12'W X 8'H

Outdoor lacrosse or field hockey scoreboard that features 2 penalty timers per team and a 3 x 2 sponsor panel.

SEGMENT TIMERS

Model SEG-14 & Model SEG-18: Segment Timers are ideal for any sport practice. Up to 40 programmable segments. Portable hand-held control allows programming independent of display. Lithium Ion Battery powered. 6+ hours of operation. Available with 14" or 18" LED digits in Red or Amber. Both timers are NCAA compliant Lacrosse Shot Clocks.

Size: 29" x 24" x 9" (.74 x .61 x .23 meters)

22" x 21" x 9" (.56 x .53 x .23 meters)

Digit Size/Color: High Intensity Red or Amber

Approx. Hanging Weight: 18 lbs. (8.16 kg), 16 lb. (7.26 kg)

MODEL 9650 SIZE: 16'W X 10'H

Our most popular tennis scoreboard that allows simultaneous scoring of up to three sets on six courts at the same time.

INTELLIGENT CAPTION™ SCOREBOARDS

Score up to 5 sports on one scoreboard by electronically changing the captions with the simple press of a button!

MODEL 7685 SIZE: 24'W X 8'H

One of our larger Intelligent Caption™ scoreboards that includes extra digits for track timing. All Intelligent Caption™ boards come with Electronic Team Names (ETNs) that allow you to customize the team name for every team that plays at your facility. *Images show Football mode.*

MODEL 3685 SIZE: 24'W X 8'H

Large Intelligent Caption™ scoreboard with large area under the clock for team mascots or sponsor logos. All Intelligent Caption™ boards come with Electronic Team Names (ETNs) that allow you to customize the team name for every team that plays at your facility. *Images show Soccer mode.*

MODEL 3680 SIZE: 18'W X 8'H

Smaller version of the 3685 with same scoring functionality. All Intelligent Caption™ boards come with Electronic Team Names (ETNs) that allow you to customize the team name for every team that plays at your facility. *Images show Baseball/Softball mode.*

FOOTBALL & TRACK SCOREBOARDS

MODEL 3617 SIZE: 24'W X 8'H

Popular 24' multi-sport scoreboard, perfect for larger facilities. *Graphical rendering shown with optional Electronic Team Names (ETNs) that allow you to customize the team name for every team that plays at your facility.*

MODEL 3614 SIZE: 18'W X 8'H

One of our top-selling football scoreboards that features possession indicators. *Graphical rendering shown with optional Electronic Team Names (ETNs) that allow you to customize the team name for every team that plays at your facility.*

MODEL 3634 SIZE: 18'W X 8'H

Great basic scoreboard for any multi-sport facility. *Graphical rendering shown with optional Electronic Team Names (ETNs) that allow you to customize the team name for every team that plays at your facility.*

MODEL 3602 SIZE: 12'W X 5'H

Entry level model, perfect for smaller facilities. *Graphical rendering shown with optional Electronic Team Names (ETNs) that allow you to customize the team name for every team that plays at your facility.*

WHITE LEDS

Enhance your scoreboard further with Nevco's new Translucent White LEDs. Your score will pop like never before with the addition of crisp, cool white LEDs that make an impact from anywhere on the field. Upgrade available for all outdoor scoreboards and scoring accessories.

FOOTBALL ACCESSORIES

STADIUM PRO™ SOUND SERIES

Be loud and clear with Nevco's Stadium Pro™ Sound. From the national anthem, to the coin toss, to the first down, the Nevco Stadium Pro™ sound system ensures that players, parents, and fans have the ultimate game-day experience.

The Nevco Stadium Pro™ Sound Series, specifically designed for the athletic market, interfaces with Nevco scoreboards and video displays to provide a single-point system, located at the scoreboard, allowing fans to hear the game like never before.

The systems are housed in weatherproof cabinets that can be discreetly incorporated into the scoring solution and come with a personalized front mesh scrim displaying team name, which disguises the speakers, while enhancing the appearance of your display.

BASEBALL ACCESSORIES

PITCH COUNT DISPLAYS

Let Nevco Do The Counting For You! Nevco Pitch Count Displays conveniently count pitches for both the home and guest teams. Don't have a Nevco scoreboard? Our Pitch Count displays can be incorporated into an existing scoreboard or stand alone and are available in 5 different sizes:

5'W X 3'H X 8"D

16'W X 2'H X 8"D

18'W X 2'H X 8"D

8'W X 1.5'H X 8"D

10'W X 2'H X 8"D

Have your designated pitch counter operate your Pitch Count Display easily with our MPCX2 Pitch Count Hand-held Control!

Nevco Pitch Count Displays can be added to any Nevco Scoreboard or non-Nevco Scoreboard when paired with this control.

SOLAR POWER KIT

Supply power to your Nevco scoreboard while preserving the environment with Nevco's solar power kit. Each kit is specifically engineered to work with your scoreboard and designed for all weather conditions. Available for all outdoor Nevco scoreboard models. Shown on Model 1610.

PROTECTIVE NET

Protect your Nevco scoreboard with our protective net, available for any of our outdoor or indoor scoreboard models.

Standard Sizes Available:

20'W x 6'H	26'W x 8'H	20'W x 10'H
14'W x 10'H	14'W x 8'H	10'W x 8'H

MPCX₂ SCOREBOARD HAND-HELD CONTROLLER

The MPCX₂ is the ultimate in scoring flexibility! The small and lightweight control is perfect for smaller facilities or to operate auxiliary scoreboards. Convenient wireless operation within 1000'. Operates multiple scoreboards simultaneously. System allows multiple controllers to link to a single scoreboard. A great tool for coaches- run the scoreboard in practice from the palm of your hand without connecting to the table-top controller. Preserve your MPCW-7 Controller for main sporting events at your facility while utilizing the MPCX₂ to control all youth and secondary sporting events. Operates on two AA batteries and includes a built-in battery indicator, wireless strength meter, and internal antenna.

Size: 3.25" x 5.5" x .875" (0.08 x 0.14 x 0.02 meters)
