SCOREBOARDS

OUTDOOR SEATING

Nevco has been developing innovative scoreboards for every sport for over 80 years. Toadvine Enterprises and Nevco work side-by-side with our customers to create customized scoreboards and displays to meet their specific needs. Whether you are looking for a basic scoreboard for a little league field or a four-sided center-hung display for a university, you can count on the Toadvine team to help manage the whole process providing you with the support and customer service that we pride ourselves on delivering.

WE OFFER A VARIETY OF DISPLAYS INCLUDING:

- Scoreboards
- Video Displays
- Marquee Signs
- Scorers Tables
- ...And much more!

No matter the size of your project, Toadvine Enterprises can provide a solution to meet your outdoor seating needs. Dant Clayton has a proven track record of having the best quality in the bleacher industry, which is why we are proud to represent their product.

Toadvine has completed many high profile outdoor seating projects, which include the University of Kentucky's Commonwealth Stadium for football and Cliff Hagan Stadium for baseball. Other Dant bleacher projects include the University of Louisville's Jim Patterson Stadium (baseball), the Kentucky Horse Park, as well as the vast majority of high school football bleacher facilities in Kentucky.

Toadvine Enterprises and Dant Clayton offer tailor-made solutions and can provide everything from small code-compliant portable seating to fully-customizable steel and concrete offerings. Every site condition is unique and Toadvine can find or design the best solution for your project.

Cost effective press boxes are also available. Dant's press boxes meet all state regulations and can be equipped with many features that include; HVAC, lighting, filming platforms, and windows, with a large selection of interior and exterior finishes.

MAINTENANCE & SPECIAL SERVICES

Just like getting the oil changed in your car, getting your stadium seating and gym equipment serviced will help ensure your equipment is in good working order and decrease the chances of major issues or expensive surprises.

Vine & Branch, the maintenance division of Toadvine Enterprises, is fully-staffed with manufacturer certified service technicians to ensure the safety of your equipment. Vine & Branch is available to do your annually-required maintenance inspection on all athletic equipment.

GYM EQUIPMENT

Porter Athletic was originally founded in 1868 and has a rich heritage as a worldwide supplier of athletic and recreational equipment. Toadvine Enterprises is honored to represent a company with such a rich history in athletic equipment manufacturing. We only represent companies that take the upmost pride in what they do, while creating the best product possible. Porter offers our customers just that when it comes to athletic equipment. Toadvine Enterprises offers a variety of gym equipment through Porter Athletics:

- Basketball Systems
- Wall Pads
- Volleyball Systems
- Divider Curtains
- ...And much more!

INDOOR SEATING

Interkal has offered a wide variety of quality seating products since 1975. Toadvine Enterprises works closely with Interkal to design, engineer, and install complete seating packages for both your indoor and outdoor facilities. These seating solutions come with many options and can be installed in any team colors.

Interkal provides the strongest understructure for indoor bleachers in the industry. With added vertical columns, deck supports and structural steel tubing, Interkal offers unmatched safety and security for any indoor seating design. Interkal offers indoor Telescopic Systems to fit a variety of facility configurations. Further, Interkal exclusively offers their patented Self Storing Aisle Rails (SSAR) system that eliminates set-up labor. Self Storing Aisle Rails are permanently bolted into place and store away in decking when the bleachers are retracted.

ADA compliance is engineered into every indoor seating design. We give our customers flexibility with ADA compliance, from wheelchair to court-side equipment accommodations, to meet your compliance standards and requirements.
