

# The Divorce Support Network

## at Main Line Family Law Center

---

Are you committed to helping clients divorce  
in the healthiest way possible?

Become part of an exclusive community of divorce professionals.

### What is the Divorce Support Network?

Divorce Support Network is a vetted network of mental health, legal and financial professionals in the Main Line and Philadelphia area who specialize in separation and divorce. Each has been oriented to the mediation process and divorce-without-court services at Main Line Family Law Center.

### How can the Divorce Support Network benefit my practice and clients?

- Quality Networking and Referral Opportunities
  - Connect with local divorce innovators from various fields, including Make Divorce Healthier Meetup
- Strategic Promotional Opportunities
  - Profile and web link on the Divorce Support Network Directory
  - Be a contributor to The Healthy Divorce Blog
  - Present/speak at community events around divorce topics, including The Healthy Divorce Podcast
- Unique Educational Opportunities
  - On-site/off-site seminars and webinars offered by Main Line Family Law Center (see reverse side for more info) on mediation and divorce without court.
  - Focus groups on substantive divorce issues.

**How do I get involved?** To set up an initial meeting for consideration, email Sharon Pastore, [spastore@mlfamilylawcenter.com](mailto:spastore@mlfamilylawcenter.com)

**In supporting one another,  
we make divorce a healthier process for all.**

Group Practices, Community-Based Organizations,  
Employee Assistance Programs, Graduate Schools & Support Groups

---

An important part of our mission is to generate widespread awareness about making divorce a healthier process. All seminars can be customized for professionals or clients. Continuing education credits available.

## **Making Divorce a Healthier Process: An Introduction to Legal Rights and Divorce Without Court**

- An introductory seminar on legal rights and various divorce options in PA, including divorce mediation, collaborative divorce vs. the litigation process of going to court. Designed to help spouses gain the clarity they will need to proceed with their legal separation or divorce matter. Also, customizable for professionals- **90 min**

## **The Mediation Mindset: Laying the Foundation for a Healthy Divorce**

- Designed to make a paradigm shift and keep spouses from ending up in court, the seminar focuses on helping clients eliminate the win-lose mentality, manage emotions, and stay child-focused as they prepare for and go through divorce. Participants will assess readiness and appropriateness for the mediation process. Adapted from research around mindset theory including productive vs. defensive, and growth vs. fixed mindset, clients will be able to use the mediation process as a transformational experience.- **3.5 hrs.**

## **Separation and Divorce 101- A Legal Overview**

- Designed to help professionals work better with separating and divorcing clients. Learn the legal, financial and emotional ramifications of a separation or divorce on your clients. Specific focus on divorce options in PA as well as a solid overview of the PA divorce code. Perfect for realtors, mortgage and insurance brokers, mental health professionals, and financial services professionals. - **90 min**

## **Creating Healthy Parenting Plans**

- Learn the ins and outs of creating a parenting plan that works. Includes real life examples of parents who have worked out issues such as visitation schedules, and contact with relatives and significant others - and how parents can adapt their parenting plan through the child-rearing years. Also includes a general discussion of what it means to co-parent or parent separately. - **90 min**

## **Divorce Sensitivity Training**

- Gain a greater appreciation of the emotional anxieties that divorcing couples and their families endure so that you can approach clients or employees with greater sensitivity which will result in stronger relationships with them.- **65 min**
