

NEED HELP POSTING A VIDEO

To post a video to an Event from mobile:

From your News Feed, on the **SEARCH** field

Enter **20th Annual Take-A-Child Fishing Tournament**

Click on field **Say something** (*Two options will pop up*)

Click on **Post in Event**

Click **Photo/Video** (*opens your camera roll on your mobile*)

Select the **Video to upload**, click on **DONE**

Click **Share**

Note: This is a public event, anyone who views it can see its photos and videos. Hosts can remove photos or videos from their event.

To post a video to an Event from desktop:

From your News Feed, click **Events** in the left menu.

On the **SEARCH** field enter **20th Annual Take-A-Child Fishing Tournament**

Go to the event and click **Add Photo/Video**

Click on **upload video**; select video

Click **Post**

Note This is a public event, anyone who views it can see its photos and videos. Hosts can remove photos or videos from their event.
