

2017 Aptify Innovation Competition

The Aptify Innovation Competition is a community-wide contest to highlight the best new ideas, devices, or methods for utilizing the Aptify platform and functionality. Each year, the Aptify community celebrates community members who have developed and implemented new features or modifications to an existing core application.

COMPETITION YEAR: 2017

ACTIVE DATES (GMT): Tuesday, April 11, 2017 - Friday, August 25, 2017

WHO CAN COMPETE?

Eligible participants include all organizations that are licensed users of the Aptify software that meet all of the following criteria:

1. Organization is currently using a supported version of the Aptify software
2. Organization has a current maintenance agreement with Aptify
3. Organization agrees to abide by Aptify software contractual obligations

WHAT'S THE DEADLINE?

Final submissions must be submitted by August 25, 2017, at 10:00 PM EDT

WHAT CAN YOU WIN?

Submissions entered into the competition are eligible to receive one free registration for their organization for the following year's conference.

WHAT DO YOU SUBMIT?

Participants must submit an application that outlines the innovation including functionality description, steps to create solution, and results. Applicants are encouraged to include any of the following forms of documentation such as screenshots, recorded innovation demonstrations, and solution instructions.

CONTEST DETAILS:

1. The competition takes place annually at the Aptify Users Conference
2. All competition innovations received will be subject to preliminary review by the Innovation Competition Planning Committee. Innovations are reviewed on the following criteria:
 - Innovation or topic is not a duplicate of previously submitted innovations
 - Innovation will be verified as an innovation and is not an adaptation of an already proposed innovation.
 - Innovation creation follows Aptify's development guidelines. Participants should review the Aptify developer guide
3. The Innovation Competition Planning Committee will vote on the top 5 finalists to advance to the final round of the competition.

4. Selected finalists must be willing and able to demonstrate the submission via recorded video at the 2017 Aptify Users Conference.
