

# Safety Training

## Prepare for On-the-Job Risks

Offering safety training for employees isn't just good practice, it's often mandatory for many companies. Our training helps you meet those mandatory training requirements and teaches employees how to handle on-the-job risks to keep themselves and coworkers safe.

*"Safety is everyone's responsibility."*

**What is OSHA?**

**Hazard Communication**

**First Aid**

**Forklift Safety**

*"Nearly 22 million Americans are exposed to potentially damaging workplace noise every year."*
