For Immediate Release

June 2018 - CEA Group (“CEA”) announced today that it acted as an exclusive advisor to Turtle Southeast, Inc. (“Turtle”) in facilitating a partnership with Canopy Capital to provide an undisclosed sum of growth financing, along with additional financing provided by Assurance Mezzanine. The equity investment will help the Company to take advantage of the numerous growth opportunities in the Roadway Infrastructure Services industry ranging from add-on acquisitions to investments in new equipment and new services.

Turtle Southeast, is a multi-generational firm based in Largo, Florida, and has been a leading provider of asphalt milling services for over 40 years. Since 1974, the Ando family has built a team that is second to none in delivering quality service, in a timely fashion, and at a great value. Turtle’s President, Dave Ando stated, “With the equity investment made by our institutional partners we will have the ability to expand our range of services and increase our geographic footprint, while maintaining the quality our customers have come to expect. We are excited to open this new chapter in the Turtle story and the growth opportunities it presents.” Turtle provides its services to state, municipalities, counties, aviation, private and military clients. Because of their longevity, along with the professionalism, Turtle has developed deep and long-lasting relationships with its contractors and engineering firms. The partnership will provide the opportunity to expand Turtle’s services. As a result, the Company is expecting to enhance their geographic footprint substantially, addressing current client requests. www.turtlese.com
