

# Partner with Paradigm Health Plans® Today!

Paradigm Health Plans® is the nation's leader in the delivery of value-based health plans and health management solutions. We are *not* an insurance company; instead, we passionately build benefits that result in a better life for our Members, Employers and Employees. Our strong commitment to the total well-being of our Members is evident in all that we provide to empower Employers to create healthier workplace populations.

## MEMBER 360 PROGRAM

- We provide unparalleled expertise, exceeding Members' expectations about their healthcare coverage
- Unparalleled containment of Member out-of-pocket costs through reduction or elimination of out-of-pocket expenses
- Provides transparency of in-network provider cost and quality options
- Dedicated advocates can assist with complex billing issues
- Assists all Members with the Pharmacy Mail-Order Program

## NATIONAL NETWORK ACCESS

- Paradigm Health Plans utilizes major PPO national networks with thousands of high-quality access points comprised of physicians, specialists, hospitals and ancillary facilities nationally
- Multiple Provider networks can be used by the same Employer to guarantee all Employees have provider access, regardless of their geographic location
- Low client disruption and seamless transition during benefit changes

## PROJECT YOUR COSTS ACCURATELY
