

uvex Disposable ear plugs (EN standard 352-2)

model: Hi-com

Execution:

- Reduces the sensation of ringing in the ears which can occur when wearing ear protection
- Built-in cavities provide a greater surface area in the direction of the eardrum
- Absorption of disruptive noises
- Excellent speech perception
- Good insulation values
- Closed surface prevents penetration by foreign bodies

- Meets the additional requirements: W (hearing a general warning signal)

Technical data:

- Category: III
- EN standard: 352-2
- Model: Hi-com
- Sound insulation value: 24 dB
- Material: Polyurethane foam
- Colour: Lime green
