GILBANE MEDIA STUDIO

- *Architectural Visualization*
- *Real Time-VR Environments*
- *3D Animation*
- *Videography*
- *Photography*

BRINGING YOUR VISION TO LIFE

- Detailed 3D view of your new product prototype with full animations and manipulation
- Illustrate a proposed redevelopment plan with comprehensive 3D environments
- Launch a fundraising campaign with photo realistic 2D & 3D mockups
- Let community members experience a virtual walk-through of a new facility

Creating A Powerful Story That's Yours to Tell

A powerful showcasing tool, a dynamic planning resource, and a compelling story. Bring your vision to life through the creation of a fully realized visual experience. The artists at Gilbane's Media Studio enable you to move beyond simple renderings and storytelling to reveal stunning representations that give life and depth to your project.

Unmatched Resources with Seamless Integration

We draw on the expertise offered by Gilbane Building Company's global operations to offer real-world input and affordability that no stand-alone design studio can match. Our studio artists have the advantage of our operation resources to develop visual concepts quickly to meet your quality expectations.

Experts in Design Visualization

Our creative team partners with you to understand your unique project goals, enabling us to develop your visualization concept. We employ the latest in 2D, 3D, and 4D imaging along with detailed modeling, professional photography and videography, to transform compelling content into dynamic showcases.

Using The Latest Technology

Our artists use the latest technology tools:

- Adobe Photoshop®
- Adobe Flash®
- Adobe After Effects®
- Adobe Premier Pro®
- Adobe Lightroom®
- Apple Final Cut Pro™
- Autodesk Maya®
- Autodesk 3D Max®
- Autodesk Revit®
- E-on Vue
- Unity® Game Engine
- Unreal® Game Engine
- Oculus VR® Support
