## SOFITEL LONDON ST JAMES

### **French luxury and local cuisine in the world's most exciting cities**

Sofitel London St James offers five-star accommodation in the heart of London's West End. This landmark hotel - consistently rated as one of the best in London - combines traditional British design with contemporary style that is unmistakably French. Located in a grade II listed building, the hotel features a restaurant, The Balcon, The Rose Lounge, the St James Bar, a large choice of conference suites and an award-winning spa. Sofitel London St James is an entirely smoke-free hotel.

The hotel is perfect for a London business meeting event or private celebration for up to 180 guests. With amenities like the Sofitel So SPA (designed over 3 floors with original historic features), visitors are offered a luxury experience in an original setting. Nearby attractions include Buckingham Palace and Piccadilly Circus.

### **Location**

6 Waterloo Place  
SW1Y 4AN  
LONDON

## WISDOM OF CROWDS SCHEDULE

08:30 Registration and Networking

---

09:00 Welcome - First, Fix the Plumbing

Speaker: Amar Singh  
Cyber Management Alliance

The elephant in the room? Quite a few actually. However, in this talk I go back to the roots of the Internet and why we need to take a step back and examine how we manage and secure this shunned element.

---

09:30 Breaking the Internet!

Speaker: Chief Technology Officer  
Nominet UK

This talk will give you a first hand view of why the global Internet remains vulnerable at large and how nation states and organised criminals could cause complete chaos with significant business impact. In addition, Breaking the Internet provides a fascinating insight into what one of the worlds premier "Internet backbone" provider does to keep the the wheels of cyber space running smoothly and steps it takes to keep the "worst case" scenario at bay.

---

10:00 Backtrack

We critique /review the past Wisdom of Crowds contributions and set the scene and agenda of the day. Highly interactive and engaging session.

---

11:00 **Coffee Break**

---

11:30 Signature Brainstorm

An interactive session. Delegates are split into groups. Each group to develop a mind map.

---

12:30 The Future Impact of AI in Cyber-Crime

Speaker: Simon Wilson  
Darktrace

Join Simon Wilson, Senior Cyber Security Manager at Darktrace, to learn about the future impact of AI in cyber-crime. Simon will cover the upcoming and prominent changes in cyber security, and the rise of automation, self-learning machines and improving AI. From this session, you will learn:

- How AI has a profound impact on our future internet, and the potential for it to enable digital criminals
- The complexity of business and protection, and how current defenders are being outpaced
- Machine learning and advanced mathematics as tools for handling complexity
- Real life examples and applications of attacks
- Inevitable rise of data theft and how best to protect yourself

# WISDOM OF CROWDS

## WISDOM OF CROWDS SCHEDULE

13.00 **Lunch**

---

14.00 Shining the Light at the Abyss

Speaker: Rob Demain  
E2E Assure

Protect, protect, protect - they all keep saying the same thing. The challenge with this single-minded approach is that it usually takes focus way from understanding and monitoring what is happening within the digital business network. The protect mentality is flawed and unless we admit it and focus on intelligent detection and response, we are always going to end up on the losing side.

14.30 Signature - Let's Create - Checklists

An interactive session. Delegates are split into groups. Each group develops collateral like checklists based on the topic of the day.

15.30 **Coffee Break**

---

16.00 The Simple Case for Securing the Humble Document

Speaker: Amit Govrin  
ShieldOx

When it comes to the next big dancing technology you have a choice. Fall for the latest greatest 'next generation' product or service with the promise of solving all your headaches OR focus on one of the weakest links in the chain. The humble document. PDF, Word, Excel or PowerPoint, the inability to secure the document remains one of the single biggest risks to a business. Join Amit Govrin as explains and demo's a revolutionary yet simple approach to ensuring you are not next on the front of the news papers.

16.30 Grill The Panel:

Another Wisdom of Crowds Special format - breaking away from the regular panel formats Wisdom of Crowds brings a simple but effective twist - a highly interactive and knowledgeable session.

17.00 **Closing Remarks**
