

# INTRODUCING THE NEW LOOK...

RECEIPT BANK FOR ANDROID 3.0.0

## NEW INBOX REDESIGN

Use the initials badge to know which user the submission belongs to

We've changed the layout so it's more straight forward to see the item amount

The red bar identifies which items need attention

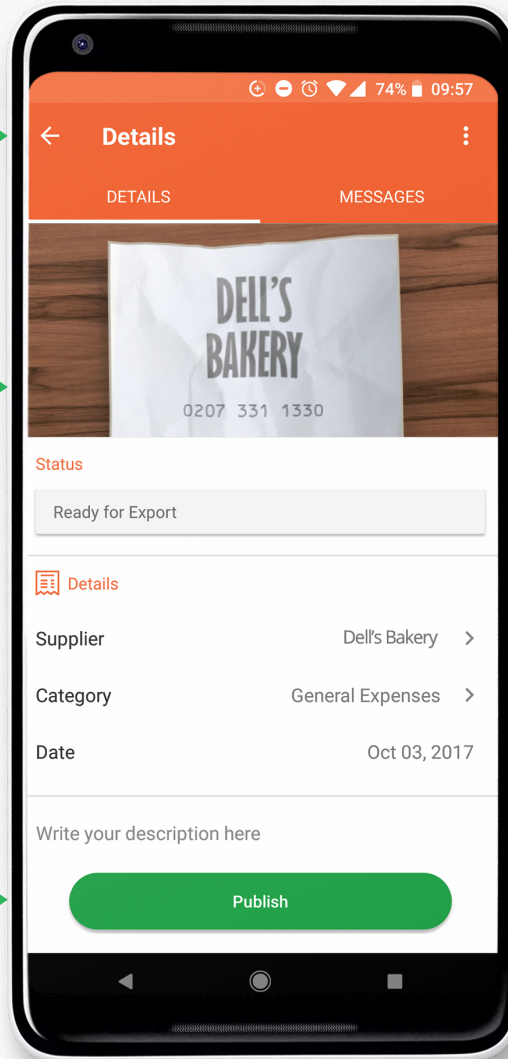

Quickly locate and extract the information you're looking for in your new streamlined inbox.

## ITEM DETAILS SCREEN

If you go back it will autosave any changes you've made

Scroll vertically on image to view multiple images of receipts and invoices

If your item is ready you can publish it here!

Publish, archive or delete your item here

Access your item messages here

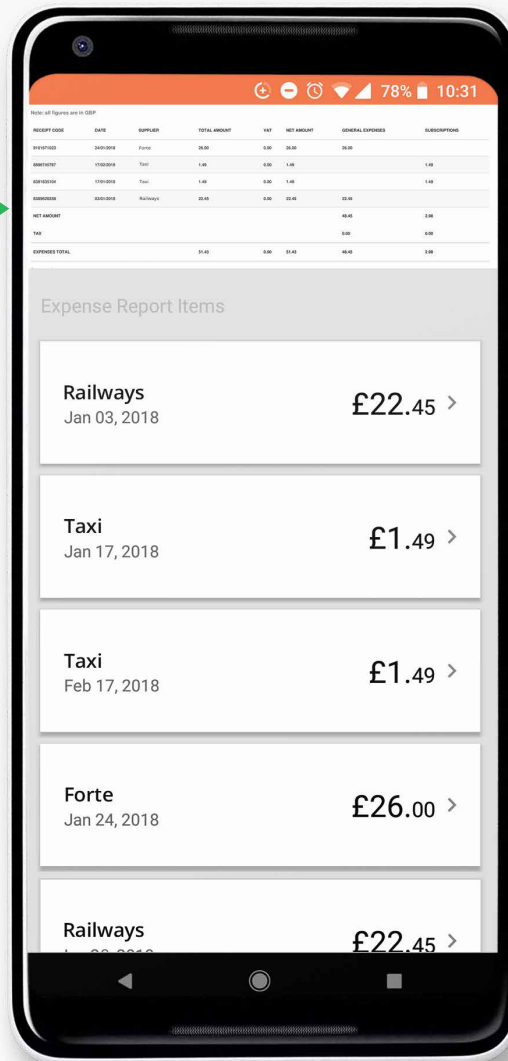

Scroll to get the full list of receipt details

Easily work between multiple items in your inbox with confidence that your work is being stored with autosave.

# EXPENSE REPORTS

Tap the image to zoom in and view all items

Notes: all figures are in GBP
