

Building Connections for a Healthier World

Lyniate is the new home of Corepoint and Rhapsody. Now under one company, our two industry-leading interoperability platforms bring together a dynamic combination of technology, talent, and trusted customer relationships. We partner with healthcare organizations around the globe to deliver cutting-edge solutions to address interoperability challenges. Our vision is to deliver the best interoperability solutions for healthcare organizations, from specialty clinics to large networks, from payers to vendors, and everyone in between. We do this through:

- **Restless Innovation.** We are building the future of healthcare interoperability
- **Technical Reverence.** A prowess with code and a true passion for its possibilities
- **Complementary Partnerships.** Combining personal aptitude with powerful collaboration
- **Human Solutions.** A people-first approach. Real-world outcomes for clients and their patients
- **Uncompromised Quality.** An unwavering commitment to excellence at every touchpoint and delivery

Corepoint

- ✓ Intuitive, all-inclusive integration
- ✓ Fast and cost effective
- ✓ Easy-to-use, modular solution
- ✓ Industry-leading customer support
- ✓ Built-in FHIR® capabilities
- ✓ Built for healthcare

Rhapsody

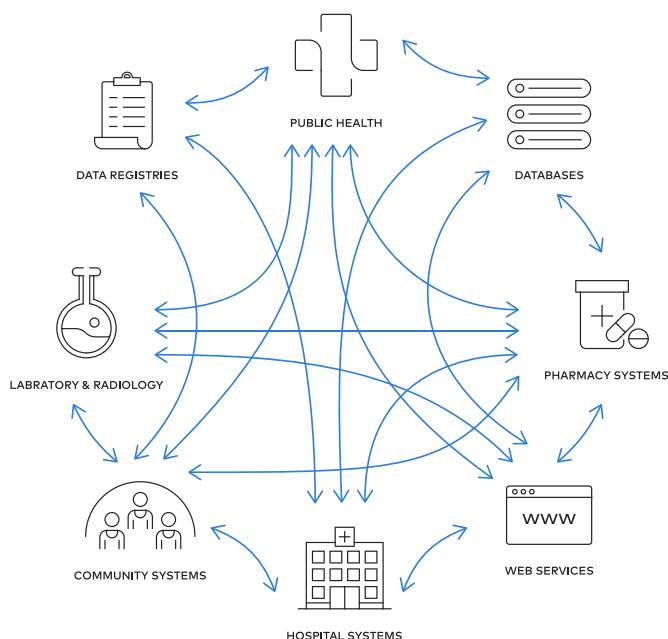

- ✓ Comprehensive, extensible interoperability
- ✓ Proven, high-performing platform
- ✓ Robust application suite
- ✓ Developer-led support
- ✓ Built-in FHIR® capabilities
- ✓ Built for healthcare

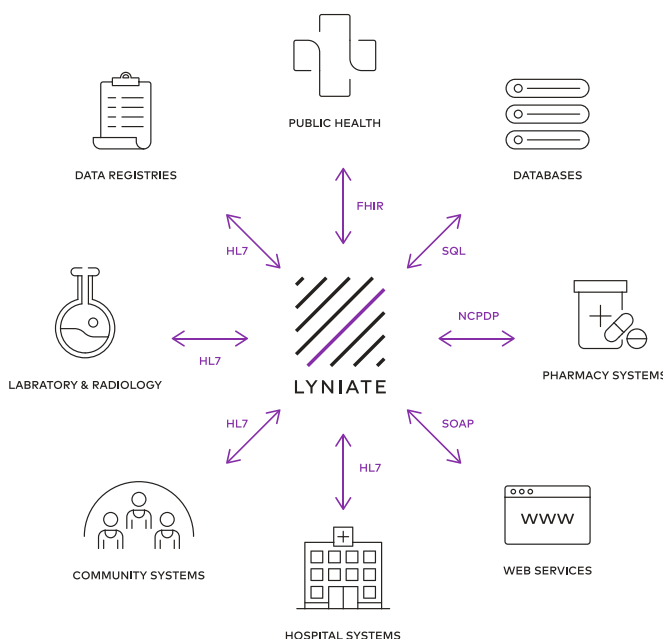

Our industry-leading products, Rhapsody and Corepoint, are used by over 1000 customers to send hundreds of millions of messages every day. Rhapsody, one of the most recognized and trusted interoperability platforms, enhances healthcare ecosystems through

seamless connectivity to unlock the potential of data, on-premises and in the cloud. Corepoint balances ease-of-use and innovation to conquer complex interoperability challenges and has earned the #1 ranking for Integration Engines by KLAS® for 11 consecutive years.

We're building the future of interoperability.

The old way

The Lyniate way
