

Growing Family? Growing Responsibilities.

As your family grows, so does your responsibility to protect them, even if you're suddenly absent. Pekin Life Insurance Company offers a solution for growing families called Transitional Life.

A Transitional Life Insurance policy provides a high, level life insurance benefit during the years you need it the most, and ends with a guaranteed, paid-up policy that will be there for the rest of your life.

Ask your local Pekin Insurance® agent about a Transitional Life policy to protect your growing responsibilities.
