Title: My PI (Pronounced P Eye)

It's 2 a.m. and you have a sudden urge to check the current status of your Auto, Home, or Life Insurance policies. You could wake-up your local Pekin Insurance® agent, or you could just log into My P-I (P-Eye). My P-I gives Pekin Insurance policyholders the convenience of 24-hour access to the information they need. Go to www.pekininsurance.com and choose "Access My Account." Call your local agent for more information.

In [Agency City], contact [Agency Name] at [Phone Number] and put their *Beyond the expected*® service to work for you.
