Title: Home-Equipment Breakdown (Cold Weather)

If you think a broken furnace in the middle of winter makes you shiver, wait until you get the repair bill. But, you can stay a little warmer knowing you have Homeowners Equipment Breakdown Coverage from Pekin Insurance.® This endorsement provides coverage for the accidental breakdown of permanently attached equipment. Learn more at www.pekininsurance.com or call your local agent.

In [Agency City], contact [Agency Name] at [Phone Number] and put their *Beyond the expected*® service to work for you.
