

Stay Cool and Keep the Heat Out.

The air conditioner quit. Inside, it's like the desert without vultures and sand, and you don't want to think about the cost of fixing the problem.

If your AC takes a dive, stay cool with Homeowners Equipment Breakdown Coverage from Pekin Insurance.[®] For a mere \$20 per year, this endorsement provides up to \$50,000 of coverage for the accidental breakdown of permanently attached equipment.*

Ask your local Pekin Insurance[®] agent about this valuable endorsement to your homeowners policy and keep your cool.
