

FONTAINE ARMOR

THE ONLY FIFTH WHEEL DESIGNED SPECIFICALLY FOR YARD TRUCKS

- **EASE OF MAINTENANCE**

- Rebuild in as little as 15 minutes from the top side
- No need to remove from truck for lock rebuild

- **DURABILITY**

- Double the warranty of competitive products
- Stronger fifth wheel (80k lb vertical, 200k lb horizontal)

- **SAFETY**

- Anti-high hitch feature helps prevent dropped trailers
- “Tucked-in” components shielded against kingpin damage

Armor part number for Ottawa applications
Top plate: 90035503
