

Spot Recognition - Made EASY!

With **Spot Recognition Gift Cards**, it's easy to reward exceptional actions as they occur. Just add your personal message to the Note Card, and present to the employee. Choose from five pre-designed themes, or create your own theme. Each card allows a single gift redemption from a large assortment of popular lifestyle products shown in online catalogs. We offer many gift levels, starting as low as \$20 each, and recipients never see prices.

Everything is Included: The Gift Card Presentation materials, the Gift, and the gift shipped anywhere in the lower 48 States. The back of each plastic card includes a unique number and online redemption instructions.

The Gift Card Presentation items include a coordinating Gift Card, Note Card, and Foil Seal. A white mailing envelope completes the package. Recipients redeem online, and can call our toll free support department for order assistance or product questions. We are dedicated to the complete satisfaction of your recipients and each person must be 100% satisfied upon receipt of their gift.
