

Our mission at *Apicha Community Health Center* is to improve the health of our community and to increase access to comprehensive primary care, preventive health services, mental health, and supportive services. We are committed to excellence and to providing culturally competent services that enhance the quality of life. We advocate for and provide a welcoming environment for underserved and vulnerable people, especially Asians and Pacific Islanders, the LGBT Community and individuals living with and affected by HIV/AIDS.

**Job Title:** Medical Case Manager  
**Location:** Manhattan, New York  
**Reports to:** Assistant Director of Support Services.  
**FLSA Status:** Non-Exempt

**Position Summary:**

Provide direct case management to patients of APICHA's Primary Care Clinic to ensure access to and retention in medical care.

**Duties and Responsibilities include:**

- Provide proactive medical case management to APICHA's Primary Care services including intake, comprehensive assessment/reassessment, and individualized care plan development to ensure access to medical care and other services including communication with primary care provider (PCP) at regular intervals to ensure patients have positive health outcomes.
- Coordinate and link patients with additional services, e.g. specialty care, entitlements, mental health and substance use treatment, insurance and community follow-up case management as needed, and report outcome to patients' families, spouse, PCP, and the multidisciplinary care team.
- Obtain prior-authorization for pharmacy or medical services as required by patient's health insurance plan.
- Maintain accurate reporting in both electronic and paper record to ensure and meet all documentation and data reporting requirements of the center.
- Represent Apicha CHC to promote services and recruit patients specifically individual with low income and/or community of color.
- Work as a part of multi-disciplinary team and for continuous quality improvement (CQI) activities as a part of Department of Support Services.
- Other activities as assigned.
