**Form 990, Part III, Line 4 Additional Program Service Accomplishments**

MAP International provided medicines and medical supplies to hospitals, clinics, and short-term medical missions in poor communities in over 90 countries. These health care provisions included antibiotics, anti-malaria drugs, wound care supplies, de-worming medicines, over the counter pain relievers, allergy and respiratory medicines, sutures and other medical supplies and pharmaceuticals.

MAP provided \$475 million (wholesale acquisition value) worth of medicines and medical supplies. In addition to shipments to hospitals and clinics, much of the product was used in MAP's Travel Pack program. This program allows medical professionals making short-term medical mission trips to poor communities throughout the developing world to take a 'clinic in a box' with them.

In addition to our medicines program, MAP International has field offices in 7 countries where our local staff work with communities to promote health, prevent disease, and provide treatment. One of our signature programs is the Total Health Village (THV) which is an integrated community health program designed to facilitate self-empowerment among communities so that they have the ability to improve their quality of life and solve problems on their own.
