

All About the Iditarod Trail Sled Dog Race

Writers must stay on topic. Cross out the statements that do not belong in a paragraph teaching about the Iditarod Trail Sled Dog Race.

The race takes place in Alaska.

Alaska is one of the 50 states.

It occurs every March and takes about 9 to 15 days to complete.

The first race was held in 1973.

I saw a movie about a dog sled race.

Teams in the race often race through blizzards.

Each team has between 12 and 16 dogs.

Alaska is the largest state in the United States.
