  - Total Expense Ratios (TERs) Measure the costs of operating the ETF portfolios, including the management fees and costs of the issuing company. The TER is included in price of the ETF product and is not paid directly by the investor.

The Ashburton Global Bond ETF provides investors with efficient exposure to the global bond market by tracking the Citi World Government Bond Index (WGBI)

**FACT SHEET**

**TER: 0,45%**

fund is a feeder fund and as such it invests in the iShares Global Govt Bond UCITS ETF. This underlying fund tracks the Index and aims to replicate the performance of the Index. The G7 Government Bond Index includes Canada, France, Germany, Italy, Japan, the United Kingdom, and the United States. This Index covers approximately 85% of the market value of the World Government Bond Index. The Index is rebalanced monthly
