AGREEMENT WITH INVESTOR

1. All IP collective investment portfolios are valued and priced using forward pricing at 15h00 each business day with the exception of quarter end when valuation is at 17h00. Fund of Funds are valued at 20h00.
2. Collective investment prices are calculated on a net asset value basis by determining the total market value of all assets in the collective investment portfolio, including any income accruals, less any permissible deductions from the portfolio, namely: brokerage fees, marketable securities tax, Value Added Tax, auditors' fees, bank charges, trustee and custodian fees, and the service charges of the manager.
3. Units will be repurchased by the manager at the ruling price calculated in accordance with the requirements of the Act and the relevant deeds and paid to the investor only. Subject to occurrences beyond the control of IP, transaction requests received by IP before 14h30 will be actioned at that day's price. Monies from the repurchase of units will not be paid to third party bank accounts.
4. Fluctuations or movements in exchange rates may cause the value of underlying international investments to go up or down.
5. IP reserves the right to repurchase unit balances with a market value less than the minimum monthly investment amount and close the investment account. Investors will be notified beforehand should this be contemplated.
6. The clearance period on investments made by debit order is 30 (thirty) days.
7. In the event that this redemption form is faxed to IP, the responsibility of ensuring that the instruction has been received and actioned by IP will lie with the instructor. A fax confirmation in the hands of the sender will not be regarded as proof that IP received a specific document. IP does not accept any liability and responsibility for having acted on a faxed document that on the face of it appears valid and the investor consequently bears the risk of fraud and/or forgery.
8. IP reserves the right to only process instructions that are submitted on IP standard transaction forms.
9. IP reserves the right to withhold processing of any unclear, incomplete or ambiguous requests forwarded by the investor/financial advisor. IP will not be liable for any damages or losses of whatsoever nature arising out of IP's failure to action this instruction due to occurrences beyond the control of IP. IP will not be liable for any loss incurred due to incorrect information being supplied by the investor or his/her financial advisor. This includes, but is not limited to, IP being unable to identify a deposit or transfer made to the respective IP bank account, for any reason whatsoever. Copies of all verification documentation requested must accompany this redemption form. IP will not be obliged to process this redemption form until it has received the verification documentation and IP will not be liable for any loss or damage of whatsoever nature arising from the inability of IP to process this redemption form due to the fact that the requirements of the Financial Intelligence Centre Act, 38 of 2001 ("FICA") have not been complied with. The investor indemnifies and holds IP harmless against any loss or damage which the investor may suffer as a result of any commission or omission by IP which is a result of an obligation imposed on IP by FICA.
10. If you are acting as a third party, proof of appointment (power of attorney, letter of executorship, guardian, discretionary mandate, etc.) must be provided with this redemption form.
11. IP reserves the right to restrict subsequent investment into a fund should the transacting behaviour of an investor be deemed to be to the detriment of the fund. This determination will be at the sole discretion of the Manager.
12. IP will only process investments on receipt of funds into the appropriate bank account, proof of deposit, and all relevant documentation.
13. If the investment is cancelled after funds were deposited into our bank account, but before all relevant documentation (as required in terms of the Financial Intelligence Centre Act No. 38 of 2001) was submitted, IP shall be entitled to receive any such outstanding documentation prior to processing a refund.
