Siwel Consulting's: ITAM Programs and People: How Much, How Far, How Many?

[View the Webinar Video Now](#)

Webinar Overview:

In this webinar, we will explore the backbone of a successful ITAM Program. Various scenarios will be presented, covering:

- Scoping out a robust ITAM program in various types of environments
- Achieving maximum results with reasonable time and expense commitments when establishing or upgrading your ITAM program
- Identifying, recruiting and winning over the optimal internal and external resources to produce a "best in class" ITAM program in your organization.
