HTG 100

Narrow Shoulder Table

STANDARD FEATURES:

- Load capacity: 500 lbs.
- Arm rests: 3.75"W x 12"L
- Five heights available: 18", 20", 22", 24", or 26"
- Cervical, Thoracic and Lumbo-Pelvic Drops, each a full 0.75"
- Tilting headpiece with 2.5" foam, allowing 30° of forward flexion and extension
- Paper roll holder and cutter (aluminum face) - uses standard 9" by 125' rolls
- Supportive arm rests with 1.5" of firm foam

HTG100

Built from solid oak, the HTG Narrow Shoulder 3 Drop Table meets your high standards of excellence and is designed to provide years of service. A tilting headpiece combined with three drops ensures that you have the flexibility and strength to meet your clients' needs. The table is also beautifully comfortable, thanks to thick firm foam on all adjusting surfaces.
