EB8000 with Shelf

The EB8000 Tilt Headpiece Bench offers stability and style, plus a firm and workable adjusting surface – all at an affordable price. At a 22” fixed height this bench features a steel frame with an easily adjustable tilt headpiece. The bench also features seamless cushions, extended arm rests to fit a wide range of patients, and a paper roll holder and cutter. A 16” shelf may also be added under the bench. The EB8000 Bench ships unassembled. This bench can be shipped completely assembled for an additional charge.
