

Response Coordinator

Response Coordinators at Confirmation support our global network of users, ensuring clients have an excellent user experience and receive timely responses to inquiries. Response Coordinators perform proactive outreach to our global network of responders to encourage and assist them in completing requests. Response Coordinators will spend the day locating key account contacts, engaging with them through email and phone, updating account records, analyzing a responder's performance, and supporting users as needed. Coordinators are required to conduct themselves in a professional manner at all times and provide accurate, timely information about our application to both internal staff and external users.
