

Legal Confirmations: Manage the entire process in one platform

Confirmation is a digital platform that makes a secure connection between accounting firms and law firms with their mutual clients' approval.

Welcome to more efficiency, fewer errors, and happier clients.

5,000

law firms

16K+

audit firms
(including Big 4)

...all trust Confirmation for
confirming financial data

For Lawyers

Trusted by the best

More than 5,000 law firms around the world, including 73 of the top 100 firms, trust Confirmation for communication with their clients and their clients' auditors.

Smooth process

Use our intuitive platform to circulate audit letters internally and submit responses.

For Auditors

Streamlined workflow

Quickly prepare confirmation requests, obtain client approvals, set deadlines, and get status updates.

Guaranteed response

Confirmation validates each in-network platform user, and their response to your request is guaranteed.

For Your Clients

Seamless experience

Your mutual clients will appreciate the quick and easy authorization process on confirmation requests.
