OHSAA and OHSBCA Announce

Partnership Extension with Rawlings as the Official Basketball for the State of Ohio

COLUMBUS, Ohio – The Ohio High School Athletic Association (OHSAA) and the Ohio High School Basketball Coaches Association (OHSBCA) have announced a three-year partnership extension with Rawlings to continue serving as the official basketball of both associations. The Rawlings basketball will remain the exclusive basketball used in all OHSAA tournament contests, while the coaches association strongly recommends it to be used during the regular-season, as well.

Rawlings has been the official tournament basketball of the OHSAA since 1999.

"The Rawlings basketballs were the clear favorite when we surveyed the coaches across Ohio," said Kathleen Coughlin, Director of Sport Management for the OHSAA and the Association's basketball administrator. "The coaches had several options and they chose the Rawlings basketball. It is a privilege to make this announcement alongside the OHSBCA and continue working with such a great company like Rawlings."

The partnership with Rawlings goes through the end of the 2023 season. The official models are the COM-POHIOCB for high school boys and the COMPO-HIO285CB for high school girls.

"We have enjoyed and appreciated the collaboration with the OHSAA on this contract process," said Tom Barrick, Executive Director of the OHSBCA. "This is a win-win for high school basketball in Ohio. Rawlings not only makes superior basketballs, but they are excited about being further invested in Ohio basketball. The vast majority of our coaches across Ohio voted in favor of the Rawlings basketballs and we are excited to continue this partnership into the future."

Rawlings also makes the official softball and baseball of the OHSAA tournaments.

GIRLS SHOWCASE

After lengthy discussions with showcase personnel and receiving feedback from girls district directors and the executive board, the Girls Showcase will be suspended for this year, 2020. We will not be taking nominations for the girls showcase this year.

We will revisit the showcase next year with hopes that the NCAA will rearrange their recruiting calendar to better support scholastic events as they did with the boys calendar.

We are always open to suggestions and ideas on how we can reinvent the Girls Showcase to make it a positive event in the future.

ASSISTANT COACH OF THE YEAR
