The shares shall be acquired through public trading, for which reason the shares are acquired otherwise than in proportion to the share ownership of the shareholders and the consideration paid for the shares shall be the market price of the Aspo's share in public trading at NASDAQ OMX Helsinki Ltd at the time of repurchase. Shares may also be acquired outside public trading for a price which at most corresponds to the market price in public trading at the time of acquisition. The decision to acquire or redeem own shares or to accept them as pledge shall not be made so that the shares of the company in the possession of, or held as pledges by the company and its subsidiaries would exceed 10% of all shares. The authorization is proposed to be valid until the Annual Shareholders' Meeting in 2016 but not more than 18 months from the approval at the Shareholders' Meeting.

The Board of Directors shall decide on any other matters related to the acquisition of company's own shares and/or accepting them as a pledge.

The authorization is proposed to be used for the financing or execution of corporate acquisitions or other transactions, for execution of the company's share-ownership program or for other purposes determined by the Board.

The authorization is proposed to include the right of the Board of Directors to decide on all the terms and conditions of the conveyance and thus also includes the right to convey shares otherwise than in proportion to the share ownership of the shareholders, in deviation from the shareholders' pre-emptive right, if a compelling financial reason exists for the company to do so. The authorization is proposed to remain in force until September 30, 2018.

Company's own shares may be transferred either against or without payment. Under the Finnish Limited Liability Companies Act, a directed share issue may only be carried out without payment, if there is an especially compelling reason for the same, both for the company and in regard to the interests of all shareholders in the company.
