

monthly updates

4th March 2020

Issue 017

Welcome!

We're in Spring! Finally, the crocuses and daffodils are blooming and the sun is shining as nature wakes up again.

We've got lots to update you on this month: introducing Mi-Link, the new way to plan your journeys to and from the Park, plus we share with you the results of our recent travel survey, and you can read about ways that your business can help to reduce people's sugar intake and also how to help reduce plastic bottle waste.

Remember you can hear the latest news, as it happens, by following us on [Twitter](#), [Facebook](#), [Instagram](#) and [LinkedIn](#).

Introducing Mi-Link, your new journey planner as green revolution continues at Milton Park

Find out about Mi-Link, your new journey planner integrating autonomous vehicles including e-bikes, shuttles, buses and taxis with existing transport. It's available to use now and we welcome any feedback.

Travel Survey results are in

Read the headline results from what you told us in our recent survey, and what we're doing to improve the air quality and your journeys to and from the Park. From pedestrian crossings to traffic alerts, to making cycling more easy to EV charging points, see how your journey can be improved. .

Could you be a Girlguiding leader? The local group is looking for volunteers

Did you know you can enjoy Mission Burrito two days a week?

Have you got the bottle? Introducing Refill Oxford

Be SUGAR SMART. Has your company signed-up to Jamie Oliver's campaign?

Local Thames Water sewage works: which roads will be impacted?

Need new R&D or small manufacturing space? Find out what we have available
