

Get \$300 off for both you & your friend!

Refer friends and you can save with ILP's Refer A Friend discount. Once you qualify, both you and your friend receive \$300 off!.

Only eligible for Fall and Spring semesters in Russia, Ukraine, Mexico, and China. You may refer up to 3 friends (which gives you \$900 in total discounts). Your friends do not have to be in the same group as you, but must volunteer the same semester as you and in one of the qualifying countries listed above. If you have questions about terms of the discount, please contact us: accounts@ilp.org.

How to qualify:

*** Tell your friend to list your name as the person who referred them on their ILP application ***

Discounts will be taken off the last payment (or you'll be reimbursed if you've already paid in full) after both you and your friend have been accepted and assigned to a qualifying location.

From the above, which would you say led most to you applying for ILP? *
