

Expect Proven Customer Service

When adjusters are forced to jump through hoops to make an ancillary care referral or obtain a file update, they lose precious time that could be spent focusing on closing claims. Unlike other national offerings that deliver fragmented services, Priority Care Solutions (PCS) provides a unified referral and scheduling platform for nationwide ancillary care, backed by dedicated service teams and 24-hour availability, ensuring the highest-quality service that allows adjusters to close claims faster.

OUR RESULTS

Durable Medical Equipment (DME)

Percent of billing for prospective referrals	64.3%
