

PATRICK HENRY COLLEGE
STUDENT LIFE MANUAL

APPROVED BY THE PRESIDENT ON JULY 24, 2024

CAMPUS SAFETY MANUAL

Quick Reference Guide

To Report any Emergency, Incident, Suspicious Person, or Crime

Dial 8888 from any campus phone (or 540-441-8888 from any other phone) for Campus Safety. Report who, what, when, where, and how. Call 9-1-1 first, then Campus Safety for all crimes “in progress.”

Campus Safety

Always on-duty. Staff and student officers cover all hours. All are trained, registered, and certified. Here to help. Quick to respond. They speak with the authority and backing of the College administration. Be prompt to comply.

Personal Safety

Keep doors locked when you are away. Don't let strangers in to buildings. Don't walk alone in the dark (Campus Safety available to escort). Report lost keys ASAP. Workers must be escorted/supervised in opposite-gender dorms. Don't prop exterior doors open. Never be alone and out-of-sight with an unrelated minor. No unattended or unrelated minors permitted inside campus locker rooms or shower facilities (except for dorms if a camper). Be alert for potential violence—anywhere—always; if violence erupts: RUN>HIDE>FIGHT. Unknown visitors must check-in at Hodel front desk.

Evacuation Procedures

When alerted by fire alarm or directed by authorities: follow EXIT signs to get out of buildings (keeping head below any smoke), go to assembly area and stay put; seek shelter in basements away from exterior doors and windows in tornado emergencies. Fire drills conducted each semester.

Campus Closings

Call 540-441-8995 to find out whether the campus has been closed because of foul weather or some other emergency. Notifications are also broadcast via e-mail, text message, and telephone.

First Aid Kits

Available at the front desks of Founders Hall and Hodel Center, or through an RD or athletic coach. Wear gloves if you may touch blood. Wash up afterwards.

Medical Care

For medical emergencies, dial 8888. Students are responsible for their own medical care. RAs are available to help. Consult CAMPUS HEALTH MANUAL for list of local doctors' offices and healthcare facilities. Counseling is available.

Good Habits Improve Campus Health

Avoid close contact with sick people. Stay home when you are sick. Only cough/sneeze into a tissue or your sleeve--not into your hands. Keep your hands clean with soap/water or waterless sanitizer (dispensers near all assembly areas). Avoid touching your eyes/nose/mouth.

Cleanliness Improves Campus Health

Students must empty their trash daily and keep their dorm rooms clean (regularly inspected).

Food Service cleans food areas. Staff clean their offices. Facility Services cleans everything else.

Immunizations

Required for students (unless waived), encouraged for everyone else. May be quarantined at own expense if infected or not immune during outbreak. Get annual flu shot. Flu pandemic may result in campus closure.

Employee Safety

It's everyone's responsibility. Get trained by supervisor. Wear protection. Follow safety procedures. Report infractions and incidents to supervisor.

Fire Safety

Abide by appliance restrictions. No open flames or open burners. Don't mess with smoke detectors. Don't hang things on sprinkler heads. Keep all fire exit routes clear of obstructions (no storage in fire stairs). Don't park in fire lanes.

Lab Safety

Obey your instructor. Wear protection. Follow safety procedures.

Hazardous Materials

Store safely and use only as per manufacturer's instructions. Keep MSDSs and Inventory Lists up-to-date and nearby, with copies sent to Facility Services. Dial 8888 for all hazmat spills.

Sexual Misconduct

Never tolerated. Immediately call 9-1-1, then Campus Safety for any abuse "in progress." Report incidents promptly. Compassionate/non-judgmental safety, care, and support guaranteed. See *Sexual Misconduct Policy* for detailed information.

Suspicious Mail

Don't open it. Cover it. Leave the room. Close the door. Dial 8888.

Speed Limit

Campus wide: 15 miles per hour. Watch for other vehicles and pedestrians. Drive responsibly. Violation may result in ticket or revocation of parking privileges.

Prohibited

WEAPONS: Prohibited without College's written approval. SUBSTANCES: No alcohol, tobacco, or illegal or recreational drugs. ACTIVITIES: No swimming, fishing, climbing, or rappelling; keep off ice.

Alternate Emergency Contact Phone Numbers

The online edition of this *Student Life Manual*, available on the PHC forms page (link in the student portal), supersedes any printed version. Students will be notified of any substantive changes that occur and are responsible for reading, understanding, and abiding by all the policies and procedures contained within this publication. When there are questions, please contact the Office of Student Life at 540-441-8600

1.0. INTRODUCTION

The *Student Life Manual* is a complement to the *Student Handbook*. The *Student Handbook* explains the Board of Trustees-approved policies of the College; while the *Student Life Manual* details these to help you make the most of your time at Patrick Henry College. Students will be notified of any substantive changes that occur and are responsible for reading, understanding, and abiding by all the policies and procedures contained within this publication.

1.1. Student Privacy Policy

As both an educational and financial institution, Patrick Henry College takes seriously its responsibility to protect the trust of its constituents, the privacy of their personal information, and seeks to be in compliance with applicable law. Patrick Henry College does not accept federal funds and is not legally obligated to the Family Educational Rights and Privacy Act of 1974, as amended in 1994; no part of PHC's privacy policies are intended to imply any obligation under this Act. This does not mean that PHC would otherwise be in violation of this Act; in fact, provided that there is no compromise in the institution's ability to achieve its stated mission and purpose, it is the College's desire to provide students with confidence in the integrity and privacy of the educational record, which may manifest itself in similarities to the practices of other colleges and universities. Additional information about PHC's Student Privacy Policy is available on the PHC Intranet or by contacting the Office of the Registrar at registrar@phc.edu.

2.0. COMMUNITY GUIDELINES

2.1. Common Courtesy Reminders

2.1.1. Attentiveness

When students are in class, chapel, or other such venue, they are to give the speaker their full, undivided attention. They are to avoid expressions, actions, and body language that communicate to the speaker that they do not care what the speaker says.

2.1.2. Respect for Faculty Members

Students should treat their professors and other campus authorities with honor and respect. Professors have academic freedom at PHC, which includes the right to conduct their classes and to assign grades as they see fit, subject only to the college's doctrinal statements and academic policies.

Students do have the right to express academic complaints and grievances, but they must follow the process given in *The Student Handbook*, §5.3. They may also register dissatisfaction in the regular course evaluation process. But using other means—organizing or signing petitions against professors, attacking them via the internet, or taking other actions that denigrate faculty members—is not appropriate and violates the Biblical principle of submission to the authorities whom God has put over us (Matthew 10:24; Romans 13:1-2; 1 Peter 2:13).

2.1.3. Forms of Address

Students should use the following forms when addressing faculty and staff, unless granted permission by them to do otherwise.

- Address those faculty members who have earned a doctorate degree as “Dr. <surname>,” and those who have not, as “Professor <surname>.”
- Address the Dean of Student Life and others holding title of Dean as “Dean <surname>.”
- Address all other adults by title (Mr., Mrs., Miss or Ms., according to preference) and surname.
- Address the Chancellor Emeritus of the College as “Dr. <surname>.”
- Address the President of the College as “President <surname>.”

2.1.4. Laptops

Generally speaking, it is not appropriate to use laptops during class time, except for the purpose of taking notes or for other course-related activities explicitly sanctioned by the professor. E-mailing, messaging, playing computer games, or otherwise employing the laptop for personal use during class time is unacceptable. During class, all students are expected to give their full attention to what is transpiring in the class. Using the laptop for non-class-related purposes is both distracting and disrespectful to the instructor and to other students. Students who are found using their laptops for frivolous purposes during class may be restricted from bringing their laptop into the classroom. Professors have the right to not allow the use of laptops in their classes.

2.1.5. Noise & Quiet Hours

Noise is to be kept at reasonable levels whenever and wherever possible. In study areas, including residence hall rooms, students should exercise deference toward those studying. Students wishing to listen to music must use headphones in all public study areas.

During quiet hours and in all academic buildings during business hours, noise is to be kept at minimal levels. Quiet hours inside campus buildings are 11:00 PM to 7:00 AM. Quiet hours outside campus buildings are sunset to 8:00 AM. During quiet hours, all music should be inaudible outside of a student’s room.

2.1.6. Professional Behavior in Academic Buildings

Students are to remember that Founders Hall and the Barbara Hodel Center are office buildings and should conduct themselves accordingly. Professional behavior is expected in all public places, including the lobbies, classrooms, hallways, staff and faculty offices, Library and Dining Hall.

2.1.7. Punctuality

Arriving late for class, chapel, or a VIP special event is inappropriate and disrespectful. Students are to be on time to such events. Students arriving late may be turned away.

2.1.8. Responsiveness

When faculty and staff communicate with students, e-mail is often the preferred method of communication. It is imperative that students promptly read all the e-mails they receive from faculty or staff, making sure to respond within 48 hours or to be prepared to offer a valid reason for why they have been out of contact.

2.1.9. Tone of Speech

Students' communication, both written and verbal, is to be respectful at all times.

2.2. Guidelines for Community Standards

2.2.1 Alcohol

In considering a wise policy regarding the use of alcohol by students during their years at Patrick Henry College, it is important first to recognize that there are different Christian perspectives and practices regarding alcohol. From the beginning PHC's intent was to create a culture and environment where all believers were welcomed to study, worship and learn together regardless of their Biblical perspective on this subject. The college's policy is not intended to advocate or refute any doctrinal position, but rather to apply prudent measures that will ensure a safe environment for all our students while furthering student development within the college's stated mission.

In developing an alcohol policy, the leadership of the college considered four primary dimensions: 1) Biblical principles and injunctions, 2) civil law, 3) scientific research, and 4) wisdom gained from the experiences of the college and like institutions.

The Bible is very clear about the prohibition on drunkenness (Eph. 5:18), however some denominations will teach abstinence as the best path to avoid drunkenness while others focus on the discipline of moderation as the best path. The College's policy on alcohol is not intended to be a theological statement, or a judgement on Christian practice (Rom. 14:13) but is rather contemplated as a means of fostering a safe and inclusive environment for all degree-seeking students living in community at Patrick Henry College. It is intended to be based first in scripture and then inclusive of civil law, scientific research and godly wisdom.

Due to historical and negative consequences of the misuse of alcohol by young adults, civil law prohibits the sale or use of alcohol to persons under the national drinking age of 21. Since most Patrick Henry College students are under the age of 21, the policy affirms that underage drinking is prohibited. When considering policy that effects students that are over the age of 21, the college considered public research on the subject, wisdom gained from experience with alcohol related behaviors in college student populations at large and the value of having a consistent policy for all students.

Research indicates a number of negative effects of alcohol consumption on teens and young adults, including, but not limited to, increased risk of addiction if consumption begins prior to age 25, increased incidences of depression and suicidal thoughts and actions, diminished self or impulse control, impaired decision making, and increased likelihood of associated risky behaviors. In addition, alcohol has been involved in many allegations of sexual misconduct. ^[1]

As the leadership of the college considered an alcohol policy, the underlying concern was always the safety of the students. In that light, it was appropriate to consider the experiences that Patrick Henry College and other similar institutions have had in past dealings with alcohol related behaviors. Over the past years, alcohol consumption by PHC students has led to many of the harmful behaviors that are observable in small and large college settings alike. The information discussed above has led the

leadership to believe that the college’s current alcohol policy is the one that appears to be in the best interests of individual students, the families we serve and the individual community in which we reside.

The college recognizes that we are asking all students to follow this policy for the sake of others even when they are of legal drinking age and know themselves to be responsible. In some cases, this is made more difficult as it is a course of action prescribed in college policy rather than by an accepted conviction of the Holy Spirit. For those students for whom this is a measured sacrifice, we hope you will consider this an expression of love and service to your Christian brothers and sisters with whom you are living in community.

As stated in the Student Handbook: “Students will not possess or consumer alcoholic beverages (except where a church serves wine in Communion).”

[1] Key College Alcohol Publications. Harvard School of Public Health. sph.harvard.edu/cas/

2.2.2. Curfew

The College utilizes a graduated curfew policy in an attempt to help students develop greater levels of responsibility as they progress toward the completion of their degree. Assumed regardless of class is consideration of the primacy of the educational purpose of the college and the requirements that places on students for study and rest. Curfew is 12:00 AM on weeknights and 1:00 AM on weekends. Curfew ends at 5:00 AM on all days. There are three gradations of curfew privilege.

Class 1	Freshman or New resident under 21 years old and 1 st semester in the residence halls.	Ten, one per night, one-hour curfew extensions per semester
Class 2	Sophomores or New resident over 21 years old and 1 st semester in the residence halls.	Fifteen one-hour curfew extensions per semester. Multiple extensions may be used.
Class 3	Juniors and Seniors Or over 21 years old and second semester or later in the residence halls.	No curfew with the caveats below.

1. Caveats:

A. Under no circumstances may a male student be in one of the ladies’ residence halls during curfew, and vice versa.

B. During the first hour after curfew begins (midnight to 1am on weekdays, 1am to 2am on weekends), students may be in a same-gendered residence hall other than their own. Class 1 and 2 students must use a curfew extension to do so. No student may loiter anywhere else on campus during this time.

C. If a student wishes to spend the duration of curfew in a residence hall that is not their own but is of the same-gender, they must receive prior approval by (1) the

student's RA, (2) the RA of the wing in which the student will be staying, and (3) the occupants of the residence hall room in which the student will be staying.

2. Other rules:

A. Class 1 and 2 students who realize they are going to be out later than anticipated should immediately call campus safety at 540-441-8888 and notify the officer on duty of the names of all students in their group and their anticipated time of arrival back on campus. This will give the College an official record of the students' whereabouts in case of an emergency. Upon their return, they should check in with the officer on duty.

B. Class 1 students who wish to stay out all night for social events must receive written permission from a Resident Director. It is suggested that they contact the RD well in advance via email. They will use up one curfew extension for *each* of the hours they are out during the curfew period. They may be gone overnight for College-sponsored trips or events or to stay with relatives without using up extensions, but they must inform their Resident Assistant in advance.

C. Class 2 students who choose to remain off campus all night for social events on non-school nights must first notify their Resident Assistant, preferably in advance. They will use up one curfew extension for each of the hours they are out during the curfew period.

D. All students entering residence halls during curfew must respect the residence hall's quiet hours.

E. All students who use a curfew extension must have an on-duty campus safety officer let them into their residence hall when they return to campus. *No one else is allowed to let them into the residence halls.*

F. When a student on Class 1 curfew uses more than one curfew extension in a night (Class 1 only allows one extension per night), he will be charged as many curfew extensions as hours he stayed past curfew, plus an extra extension for violating Class 1 curfew. For example, if curfew is at midnight and a Class 1 student stays out until 2:00 AM, he will be charged three curfew extensions – one for the hour violation between midnight and 1:00 AM, another for the hour between 1:00 AM and 2:00 AM, and a third for violating Class 1 curfew.

G. When a student has used all of his curfew extensions for a semester, he will receive a warning in email from a resident director. When a student uses more curfew extensions than he is allowed in a semester, he could (1) lose curfew extensions for the following semester, (2) receive a fine, or (3) be required to stay on Class 1 or 2 curfew longer than other students. Those consequences will be administered on a case-by-case basis.

3. Any student's curfew privileges are subject to alteration or revocation by the Dean of Student Life if it is deemed appropriate for a violation of community standards.

2.2.3. Dance Policy

The intent of these dance guidelines is to help create an environment that will cast a vision for God-honoring celebration as well as to describe the boundaries for social dancing and dance events that are in keeping with the spirit of our community standards. Dancing is a way to celebrate, exercise, and have fun.

It is the belief of the students, staff and faculty of Patrick Henry College that appropriate dancing is a well-loved pastime and hobby which students should be allowed to partake in. As such, dances are allowed on campus under the following provisions:

- Proposed campus dances must be approved by the Office of Student Life prior to it taking place.
- Dances must be proposed and sponsored by a recognized student organization.
- Campus Dances will be restricted to certain locations as determined by the Office of Student Life.
- The student leaders planning the dance will be responsible for compliance with dance guidelines, care of facilities and conduct of attendees. The leader will also appoint an individual to meet with the two RAs designated by Student Life, to go over the prospective playlist which will be played at the dance. This individual will make sure that the music is not profane or explicit and that the lyrics are consistent with PHC standards.
- Time/place/content restrictions include: after curfew hours, and possibly in the residence halls (unless otherwise previously approved). Our purpose is to prevent any sort of inappropriate dancing.

We wish to allow students to exercise their godly discernment as young adults, however inappropriate dancing will be dealt with accordingly. We wish to avoid putting students in a position of temptation, in which they would make a decision that is not in line with the College's statement of faith or community standards.

Guidelines for Dances:

1. Dance events are expected to be intentionally planned and not just random acts of coming together.
2. Campus –wide dance events are open to the Patrick Henry College Community (students, staff, faculty and alumni).
3. Non-college or off-campus groups are not invited.
4. With a variety of dance events there will be different styles of music and lyrics from which to choose. All music and lyrics need to be consistent with PHC standards.
5. Dance event and location need to be approved by the Office of Student Life.
6. The student leaders planning the dance will be responsible for compliance with all dance guidelines, care of the facility and conduct of attendees. Privileges to sponsor campus –wide dance events may be suspended in response to lack of compliance with guidelines for dance events, failure to care for the facility and/or in response to the conduct of attendees.

7. Some things to consider are, venue capacity, attire expectations, sound ordinances, beginning and end times, and other events on the campus calendar.

2.2.4. Dress Code

General Guidelines. In keeping with the distinctives of Patrick Henry College, students should dress modestly and appropriately at all times. The dress code applies whenever a student is in a co-ed environment. After three violations of the dress-code, a student will be required to meet with a Resident Director. After four violations of the dress code, a student will be fined \$25.00.

Guidelines for men and women

- Shoes must be worn at all times in any educational building.
- Athletic attire must comply with the dress code guidelines.
- Hair is to be kept clean and neat, avoiding particularly unusual styles unsuited to an academic environment.

Guidelines for men

- Shirts: Men must wear shirts at all times. Men are not to wear button-down shirts with more than two of top buttons unbuttoned, or to wear tank top underwear not covered by an outer layer of clothing.
- Shorts: Shorts should have at least a 4-inch inseam.
- Hair: In the back, hair must be kept off the collar. On the sides, hair is not to extend below mid-ear. In the front, hair is to be kept out of the eyes. Facial hair should be kept trimmed, neat, and professional.

Guidelines for women

- Women should not wear clothes that are too revealing, (e.g., spaghetti straps, halter tops, tube tops, transparent tops, or tops that reveal bare midriffs, that strap at only one shoulder, or that strap below the shoulder.)
- Shorts: Shorts should have at least a 4-inch inseam.
- Skirts: Skirts and skirt slits should end no higher than 2 inches above the top of the knee when standing.
- Leggings, tights, and yoga pants (unless worn with an appropriate-length dress or top) are not permitted.

Business Casual. During business hours (8:30 AM to 5:00 PM, Monday to Friday), students are to dress as would a professional working in a well-dressed business environment while in one of the College's educational buildings, with the exception of the library. In addition to the general guidelines above, students must observe the following guidelines.

Guidelines for men and women

- Students are to conceal tattoos.

- Students are not to wear visible body piercings with the exception of women wearing earrings.

Guidelines for men

- **Shirt:** Men are to wear collared shirts, tucked in; nice sweaters and vests with a collared shirt, or a collared sweater are also acceptable. No sweatshirts.
- **Tie:** If worn, must be neatly tied.
- **Pants:** Nice slacks (dress pants or Dockers style). No shorts, cargo pants, or colored* jeans. *Only black dress jeans are approved under the dress code.
- **Shoes:** Dress shoes or loafers should be worn; shoes should be professional and in good repair. No athletic shoes, sneakers or casual sandals.

Guidelines for women

- **Shirt:** blouses and nice tops are to be worn.
- **Skirts/Slacks:** Women are to wear skirts, dresses, or slacks (dress slacks or Dockers style). No colored* jeans. (Only black dress jeans are approved under the dress code.)
- **Leggings, tights, and yoga pants** (unless worn with an appropriate-length dress or top) are not permitted.
- **Shoes:** Women are to wear dress shoes; sandals that would be considered professional business attire may also be worn. Athletic shoes, sneakers, and flip-flops are not allowed.
- **Appearance:** Unprofessional jewelry or make-up should be avoided.

2.2.5. Entertainment

Students being prepared to “lead our nation and shape our culture” will inevitably encounter the pop culture of our nation’s entertainment industry. On the one hand, movies, television shows, music, video games, and other forms of entertainment can reveal much about contemporary culture. On the other hand, these entertainment forms often carry and promote the culture’s worst values, including sinful uses of sexuality, contempt of life, and the rejection of God.

PHC students may well learn to use some of these powerful media in ways that honor God and His truth, thus shaping the culture “with timeless Biblical values.” In the meantime, PHC students must approach the products of the entertainment industry with discretion and discernment.

Students should develop a critical and self-critical approach to their entertainment. They should cultivate genuine aesthetic taste so that they can recognize and prefer works of genuine artistic quality and merit. They should learn to understand what works of entertainment are communicating, both what is good and what is bad. Above all, they should become sensitive to the effect that the work has on others and on themselves.

Above all, Christians must avoid sin. Some entertainment provokes lust; some create virtual experiences of harming other people; others create fantasies of greed or revenge. Jesus Himself makes it clear that we can sin not just by overt actions but by what goes on in our hearts, and that we should avoid such occasions at all costs (Matthew 5:21-30).

The issue is not necessarily the content of a work of art but its effect. Violence in a movie can be presented so that it desensitizes the viewer, hardening the heart to human suffering. Violence can also be presented so that it makes the viewer more sensitive, creating a heightened compassion to human suffering. Some nudity is pornographic, designed to stimulate the viewer sexually. The nudity in classical art, the illustrations in medical textbooks, or the non-sexual nudity of concentration camp victims in *Schindler's List* usually is *not* sexually stimulating. Someone who is sexually stimulated by such things should avoid them, though this cannot be made a rule for art historians, medical doctors, and other people who are not so affected.

What does this mean for PHC? Instead of giving strict rules about what is acceptable and what is not, we encourage students to consider with honesty and moral sensitivity the effect their entertainment choices have on them and on others. Any showing of films or videos on campus should consider “the weaker brethren” (Romans 14) who might be harmed by what is shown.

The administration and Student Life staff reserve the right to not allow certain entertainment on campus. Students whose use of entertainment, whether on or off campus, violates the principles stated here in a way that harms themselves or others may face disciplinary action.

In classes, faculty members are urged to use discretion and to apply these same principles. But just as medical school students must dissect naked bodies and confront disease in order to master their profession, students being taught to “lead the nation and shape the culture” must sometimes dissect false ideas and confront unhealthy manifestations of the culture in an academic context.

2.2.6. Sexual Misconduct

See THE SEXUAL MISCONDUCT POLICY on the Student Portal in CAMS for detailed information.

2.2.7. Weapons

See CAMPUS SAFETY MANUAL on the Student Portal in CAMS.

2.3. Discipline Process within Student Life

Accountability and discipline are important aspects of the Christian life. Each student of the PHC community has committed himself or herself to live within the College's community standards and expectations of life and conduct which are included in the Student Handbook and Student Manual. When an individual fails to meet the responsibilities that are inherent in membership in this community, there is a need for accountability. The purpose therefore for accountability and of discipline at PHC is to create an opportunity for change and growth in the life of the student.

Violations of the community standards are best handled among peers, following the example set forth in Matthew 18: 12-17. We in the community of PHC are called to be concerned about the welfare of other individuals in our community. We are called to care enough about each other that we are willing to confront each other. If after confronting the individual, the behavior does not change appropriately it is then the community member's obligation to expand the circle of accountability. This accountability entails confrontation from an RA, Resident Director, or one of the Deans. Those situations that are of a serious consequence to the individual or to the campus community may call for an immediate response by a Student Life Staff member. It is desirable that this accountability occur at the level closest to the violation, peer to peer. Inappropriate behavior

may first be confronted by the RA. In instances where the RA's involvement does not bring the appropriate change in behavior, the RA will take the situation to their Resident Director. Issues unresolved at that level will be sent to the Deans to handle. At any point in the process of community accountability a disciplinary response may occur. RAs and Resident Directors may administer some disciplinary sanctions. The process outlined here is designed to handle violations as expeditiously, wisely, and fairly as possible. Throughout the entire process, the aim is to be redemptive and developmental, helping the student grow in their relationship with God and with the members of the community. We are committed to providing a process that will both protect the rights of the students and be fundamentally fair. Throughout the entire process, the aim is to be redemptive. It should also be noted that confidentiality often prevents the disclosure of details that contribute to a decision, resulting in unanswered questions.

Students Voluntarily Seeking Help (non-disciplinary policy)

Students are encouraged to utilize a voluntary referral procedure to request assistance with issues including but not limited to sexual relationships, pregnancy, eating disorders, same sex attraction, self-harm, pornography or the use of alcohol or tobacco. This process is available on a confidential basis.

Students taking the initiative with Student Life Staff, Faculty or other PHC Staff to seek help prior to the behavior being reported or identified by the College will not be subject to disciplinary actions related to the behavior provided the student demonstrates a good faith effort to address the behavior.

2.3.1. Minor Violations

Minor violations may include but are not limited to the following: curfew, dress code, inappropriate dancing, inappropriate entertainment, inappropriate language, inappropriate displays of affection (PDA) or noise. Violations at this level will be handled at the informal level, peer to peer usually involving the Resident Assistant (RA) and the Resident Director (RD). They will work with the offending student to bring about the appropriate changes in behavior

2.3.2. More Serious Violations

Students who commit more serious violations could potentially face probation for at least one semester, suspension for a specified time, or expulsion from the college. The process for dealing with more serious violations is in the section of the Disciplinary Protocol outlined in 2.3.3.

Serious violations may include, but are not limited to, the following:

- Illegal or recreational drug use
- Intentional use of alcohol or tobacco
- Arrest by civil authorities
- Hazing and/or harassment
- Intentional damage to property of the College or others
- Academic dishonesty (i.e. plagiarism or cheating)

- Possession of a prohibited weapon on campus
- Theft
- Unauthorized use or discharge of a weapon on campus
- Other: Sexual harassment and/or sexual assault will be handled according to the guidelines set in the Sexual Misconduct Policy. Victims of assault will be given immunity for other Community Standard violations that may have existed at the time of the assault.

2.3.3. Disciplinary Protocols for serious violations of the Community Standards:

- **Step 1: First occurrence: Admonition:** A warning to the student that of violation of the Community Standards has occurred and that continuing of repeated behavior may result in additional sanctions.
- **Step 2: Second occurrence: Meeting/Official Warning:** A meeting with someone in the Office of Student Life (OSL) as assigned by the Dean of Student Affairs. The intent of this meeting is to explain to the student what his or her wrong doings is, why it is against the standards and to take informal corrective steps to help the student with his or her violation. If during this meeting it is determined that the student would benefit from additional resources such as counseling, the RD will explain what resources are available on campus and discuss how the student may access those resources. The RD may also recommend the student seek input from their pastor or someone outside of the campus. This meeting will trigger the creation of an Incident Report that will be filed in the OSL. The student will also receive a written warning that indicates if immediate changes in behavior do not occur, the student will begin to lose some of the privileges associated with being a member of this community, and the student is in jeopardy of serious disciplinary action.
- **Step 3: Third Occurrence: Formal response:** The student will meet with one of the Deans and a faculty member to determine disposition. Actions may range from a formal plan of action i.e. probation, restitution, community service hours, removal from leadership positions, growth contract, etc. to suspension or expulsion, depending on the severity of the issue(s) involved. The student retains the right to appeal the decisions made during this phase as outlined the Judicial Process. Letter may be sent to parents and academic advisor

2.3.4. Disciplinary Procedures

Violations which the Office of Student Life (OSL) becomes aware of will be handled in the following way. The Dean of Student Affairs will determine the appropriate person to address the violation.

Preliminary Procedures:

- Reporting and investigation: Any member of the PHC community may report information regarding an incident of misconduct to their RA or RD.
- The OSL shall assume responsibility for investigating the incident and the matter will be discussed with the accused.

- The Dean of Student Affairs will decide whether to dismiss the matter without further action or refer the matter for a hearing (Informal or Formal)
- The accused will have the option to handle the incident informally with one of the Deans or to handle it formally before a Hearing Board.

2.4. Judicial Process (Hearing Board and Appeals)

See §1.4 Judicial Process Details of Appendix A

2.4.1. Sanctions

The OSL (under informal resolution) or a Board (under Formal Judicial Process) may choose to assign one or more of these penalties to a student who is found, based on the evidence available, to be responsible for the action of which the student is accused:

- A. Warning: A student may be given a formal written reprimand.
- B. Restitution: A student may be required to provide financial compensation to PHC or other parties in order to cover the cost of damaged property.
- C. Monetary Fine: A student may be required to pay a specified fine.
- D. Work Hours: A student may be required to work a specified number of hours on campus without pay.
- E. Community service hours: A student may be assigned a number of hours they need to do volunteer work somewhere.
- F. Counseling: A student may be required to meet with a counselor.
- G. Removal of Activities or Privileges for a Specific Period: The student may not participate in College clubs, events, and extracurricular activities. This includes intercollegiate and intramural athletics, student government, and other social events.
- H. Involuntary Removal of Offending Cause: If a student's property, such as pets or sound systems, is the subject of a Complaint, the student may be required to remove the property from campus.
- I. Involuntary Relocation: Involuntary Relocation requires a student to move to a different room, different residence hall, or off-campus by a specific date.
- J. Probation: Probation is a specific period of time during which the student's behavior is under especial scrutiny. Violations occurring during this time will be considered more serious than they would without the condition of disciplinary probation.
- K. Suspension from the Campus: The student will not be permitted to engage in PHC activities and may not reside or eat on campus for a specific period of time. This suspension may also extend to the remainder of the semester and require the student to reapply for admission to the College.
- L. Expulsion: Student status is permanently terminated.

3.0. ACADEMICS

Academic policies and information are also located in the *Catalog* and the *Student Handbook*.

3.1. Guests in the Classroom

We welcome visitors to the College. If students wish to bring guests to class, they must e-mail the professor teaching the course at least 48 hours in advance and receive the professor's approval. If visitors are on an official admission visit, both the Office of Admissions and the professor must approve the classroom visit. It is understood that visitors to a class should not attempt to participate in discussion unless invited to do so by the professor.

3.2. Library

The library is available to all PHC students. It is the library's goal to meet the information needs of the college community. The staff are available to assist you, whether to answer a library policy question, to help locate a specific resource, or to help you design a research method. We strive to provide the information resources, services and facilities that will enable you to succeed at Patrick Henry College.

Casual dress is allowed in the library during business hours. For further information regarding library collections, services, and policies, please consult the current Library Guidebook, which is available in the library.

4.0. RESIDENCE LIFE

4.1. Resident Directors & Resident Assistants

Students with questions or concerns about matters regarding other students or campus life in general are encouraged to speak to their Resident Assistant or some other member of the Student Life Staff. Resident Assistants are directly accountable to the Resident Directors and the Dean of Student Life for ensuring that College policies are upheld. Resident Assistants also serve the student body by working with the Office of Facilities to ensure that the students' practical needs in the residence halls are met; this can involve building maintenance, cleaning rotation supervision, and supplies inventory.

The Resident Directors supervise the Resident Assistants and are responsible for all students living in the residence halls. They are administrators of residence hall life in general and work closely with the Dean of Student Life in setting campus guidelines.

Resident Directors

Male Resident Director – contact information posted in the Residence Halls

Female Resident Director – contact information posted in the Residence Halls

Resident Assistants

Resident Assistants' contact information will be posted in the Residence Halls

4.2. Residence Hall Assignments & Roommates

Residence halls are primarily for students taking 12 or more credits per semester. Part-time students wishing to establish residence in a residence hall must obtain permission from the Dean of Student Affairs. Students who drop below 12 credits may be denied access to the residence halls, along with any associated financial aid. All students are required to complete a Housing Agreement Form upon their arrival on campus for each academic year.

The Office of Student Life assigns roommates for the entire semester. We attempt to accommodate roommate requests, but the assignments, once made, are final, with rare exception. If a serious roommate issue develops, students should talk to their Resident Assistant and seek to resolve it. No student may switch rooms without the written permission of the Dean of Student Affairs.

4.3. Early Arrivals & Late Departures

During the beginning and end of the year, the Office of Student Life and the Office of Admissions often receive requests from students to either come earlier or leave later than the dates set by the College. The dates are established to allow the College to make check-in and check-out as efficient as possible. We would like to accommodate every request, but as we grow this becomes increasingly difficult. Out of a desire to help you and a desire to protect our services, we want you to consider the following options for early arrivals:

- Go to www.phc.edu, click “Admissions,” click “Visit PHC,” click “lodging” and decide on lodging from the options listed on this webpage.
- If you desire to move your things into your room or to move on campus early, at our discretion we may allow you to do so for \$80 per night. The payment needs to be made out to PHC and mailed to the Office of Student Life two weeks prior to your arrival. This option is dependent on whether space is available and suitable for occupancy.

There are no options for late departures, as the College must prepare for summer camps. Students will be fined \$25 for not leaving by the appointed time, with an additional \$10 per hour late.

4.4. Visitors & Overnight Guests

Visitors must leave the residence halls by curfew. Permission to host an overnight guest must be obtained from the Office of Student Life at least 48 hours in advance. Forms received 24 hours in advance will be charged a single extra pass, and forms received the day of arrival will be charged two extra passes. Overnight guests should also be approved by a student's roommate(s) and Resident Assistant. Guests over 28 and under 14 must be approved beforehand by the Dean of Student Affairs. Each student has seven guest passes per semester. After seven passes have been used, the cost per guest is \$20 per night. If a student has overnight guest(s) without submitting a guest pass beforehand to the RDs, the fine is \$20 per guest for every night the guest(s) stayed, with a maximum

fine of \$100. Checks should be made payable to PHC and turned in to the Office of Student Life. Students are responsible for reminding their guests that Patrick Henry College's community standards apply to them as well while they are on campus. Visitors to the College are not allowed to stay overnight in the residence halls the week preceding the beginning or end of a semester, orientation days, final exam period, or graduation day.

4.6. Residence Hall Policies

4.6.1. Personal Conduct

All occupants are required to acknowledge and abide by all Patrick Henry College Standards in effect at the time of occupancy. During curfew hours, no student may linger anywhere on campus outside of their own residence hall without authorization unless they are in a same-gender dorm during the first hour of curfew. Occupants should dress modestly and appropriately at all times while on campus. All occupants must immediately exit the building by the designated exit routes whenever the fire alarm sounds.

4.6.2. Dorm Rooms

Occupants are not to tamper with curtains/blinds or smoke detectors, hang racks or holders over the room door, remove screens from the windows, or put holes in the window frames, doors, or furniture. Occupants may only use thumb tacks, push pins, or picture hangers to mount pictures or posters to painted walls; no other fasteners, hangers, tapes or adhesives of any kind are permitted. Occupants may only use tapes or adhesives for mounting pictures and posters to the stained hardwood doors and furniture; said tapes or adhesives must be expressly designed by the manufacturer for such applications (printed on the package label) and must be easily removable without leaving any adhesive residue on, discoloration to, damage to, or removal of the clear coat finish of the stained hardwood. Inappropriate or offensive posters or room displays are prohibited.

4.6.3. Dorm Room Furniture

Furniture may not be disassembled; **the fine for disassembling furniture is \$500**. Furniture may be rearranged in the room, but may not be removed from the room. Occupants are financially responsible for the replacement cost of any damaged or lost furniture. Homemade loft beds are prohibited. Occupants must provide their own bedding for an extra-long twin mattress. All stairwells and hallways must be kept clear of all items (i.e., clothing, bicycles, sports equipment, ironing boards, furniture, appliances, etc.) at all times.

4.6.4. Property Damage

Occupants and their Resident Assistant must inspect and complete a CHECK-IN form documenting the condition of the room upon move-in. Occupants and their Resident Assistant must inspect and complete a CHECK-OUT form documenting the condition of the room upon move-out. Occupants are financially responsible for the repair of any property damage they cause that is considered (at the sole discretion of the College) to be beyond normal wear-and-tear. A

property damage repair fee chart will be used to determine applicable charges. The occupants of the room will be equally liable for up to 200% of any repair or cleaning costs that are not expressly listed on the property damage repair fee chart.

4.6.5. Appliances

No candles, halogen lamps, electric blankets, space heaters, any source of open flame or anything else that can cause a fire are allowed in the residence halls. Only heating pads with automatic shut-off are permitted. The only food storage/cooking appliances permitted to be used inside the residence halls are small refrigerators, microwaves, coffee makers, hot pots, electric kettles, and popcorn poppers. All other food storage/cooking appliances are prohibited for safety and insurance reasons. Clothes irons and steamers must be equipped with safety switches that turn off when not in use. Personal charcoal BBQ grills are prohibited on campus. Community charcoal grills are provided in locations behind the dorms

4.6.7. Windows, Screens, Heating, Air Conditioning, and Lights

Residence hall windows may only be open when at least one occupant is in the room and not during foul weather. The last one to leave the room must make sure that all windows are closed, latched, and locked. Residence hall windows may only be open when the room's heater/air conditioner is turned off. Screens shall not be removed from the windows. There is a \$25 fine for removing screens. Do not turn off bathroom lights/fan manually, allow automatic switch to operate.

4.6.8. Housekeeping and Maintenance

Occupants are expected to keep their dorm rooms and all common areas clean at all times. All trash receptacles shall be emptied as needed. Occupants should report all maintenance needs to the Facility Services as soon as possible via Maintenance Requests submitted at www.intranet.phc.edu.

4.6.9. Storage

During the school year students must plan to store all their belongings inside their assigned dorm room. Students wishing to store luggage, etc. in their dorm's attic must make arrangements through their Resident Assistant. During the summer, all departing students must remove their belongings from their residence hall. No storage is provided through the summer. Any items left behind will be discarded.

4.6.10. Laundry

Laundry rooms are available on each floor of the residence halls. Only occupants are permitted to use the laundry rooms. Occupants should promptly transfer their wash loads to the dryer, and promptly remove their dry loads from the dryer and take their clothes back to their dorm room. Laundry machines are operated via credit or debit card.

4.6.11. Dorm Lounge

Dorm lounges are available on the first floor of the residence halls. Students may not remove furniture, artwork, or electronic equipment from the dorm lounges. Students may not move furniture or artwork into a dorm lounge without written permission from the Dean of Student Life.

4.6.12. Entertainment Equipment

The College provides a TV and DVD player in each residence hall. Occupants may not tamper with, deactivate, or remove any of the College's installed entertainment equipment. No personal electronic equipment may be connected to the College's electronic equipment without prior approval by the Information Technology Department.

4.6.13. Noise and Quiet Hours

Noise is to be kept at reasonable levels whenever and wherever possible. Occupants wishing to listen to music must use headphones/earbuds in all public study areas. During quiet hours, noise is to be kept at minimal levels. Quiet hours inside campus buildings are 11:00 P.M. to 7:00 A.M. Quiet hours outside campus buildings are sunset to 8:00 A.M. During quiet hours, all music must be inaudible outside of an occupant's room.

4.6.14. Access Restrictions

Residence halls are not coed. Coed visitors to a dorm are permitted only in the dorm's lobby and lounge, and must leave no later than curfew. Occupants should keep their dorm rooms locked at all times of vacancy for security purposes; the College is not responsible for missing or stolen personal items. Occupants are not permitted to unlock the front door of a residence hall to facilitate entrance for non-occupant's unknown to them. No pets or animals (other than fish in a no more than 5-gallon tank) are allowed inside the residence halls.

4.6.15. Visitors and Overnight Guests

Visitors must leave the residence hall no later than curfew. No overnight guests are allowed without prior approval through the Office of Student Life. See section 4.4 above.

4.6.16. Personal Property Liability

The College limits its liability for catastrophic loss of occupants' personal belongings in the residence halls if a covered loss is incurred and the occupant has no personal coverage. Occupants will be reimbursed for no more than \$1,000 of the value of their personal belongings, but only if the College's insurance carrier pays a claim to the College on its personal property of others coverage. Occupants should ensure satisfactory coverage through a personal renter's or homeowner's policy.

4.6.17. Weapons Policy

See *CAMPUS SAFETY MANUAL* on the Student Portal in CAMS.

4.6.18. College Right of Entry

The College reserves the right to enter dormitory rooms at any time, for institutional purposes for the health and safety of students and enforcing college rules and regulations. Maintenance/Custodial also reserves the right to enter dormitory rooms at any time for maintenance reasons. Maintenance/Custodial will make every effort to respect the privacy of the room's occupant(s).

4.7. Off-Campus Housing Guidelines

God has blessed Patrick Henry College with beautiful and functional residence halls, and we seek to be good stewards of them. We construct them with quality materials, keep them clean and in good repair, and seek to live in them in a respectful manner. Another way we seek to be good stewards is by using our residence halls to their full capacity. We also value the community atmosphere that is created by the majority of our students living on campus, and research shows that students who live on campus generally do better academically than those who move off campus. Therefore, full-time students not living with their parents should expect to live on campus.

Exceptions to this policy MAY be granted if a student meets at least one of the criteria below. Students who wish to live off-campus must fill out the Off- Campus Housing Application Form available from the OSL:

- Student will be living at home with his/her parents or guardians.
- Student will be part-time (taking less than 12 hours per semester).
- Student has an internship (25+ miles away) that requires that he/she move closer to the internship site.
- Student is 21 years of age prior to start of the academic year.
- Student is married.
- Student has extraordinary personal hardship, including financial difficulties.

As the College develops, good stewardship before God will require us to manage the level of occupancy in the residence halls. At times, we will need to allow more students to live off campus; at other times, we will need to reduce the number living off campus. Each year, the College administration will determine the number of off campus spaces that will be available for both men and women.

Students who wish to live off campus will be considered if they submit an Off- Campus Housing Application to the Office of Student Life during the spring semester. Applications must be received by the deadline established each year, and students who apply after the deadline may face a late fee. Applications will be reviewed and prioritized according to criteria established by the Office of Student Life.

Students who wish to live off campus in the fall must submit the Application to the OSL by the deadline set in the spring semester. An Off- Campus Housing Review Committee will apply these criteria to select those who will be approved to move off campus the following year.

5.0. STUDENT ACTIVITIES

Patrick Henry College's Office of Student Life seeks to build campus-wide unity through offering quality activities and services for the entire student body. It is their goal to help students get acquainted, involved and build quality friendships throughout the College community.

All students who elect to participate in any athletic, intramural, or fitness activities offered by or through the College are required to complete a Student Participation Agreement & Release Form.

Any activity sponsored by a student group must be approved by an appropriate faculty advisor and/or the Dean of Student Affairs.

5.1. Athletics

5.1.1. Intramural

Both men and women have the opportunity to participate in intramural sports. Physical development is a part of the curricular and co-curricular programs of the College. Intramural sports may include basketball, softball, table tennis, volleyball, soccer, pickle ball, and ultimate Frisbee.

5.1.2. Intercollegiate

Patrick Henry College currently competes in men's and women's soccer and men's basketball. Woman's basketball may be offered depending on interest.

All students participating in intercollegiate athletics must maintain a cumulative grade point average of 2.0.

5.2. Forensics

Patrick Henry College is involved in various forms of collegiate forensics competition (Moot Court, Mock Trial, and Debate). For additional information contact Sue Johnson (shjohnson@phc.edu or 540-441-8043).

5.3. Ministry & Community Involvement

Students are encouraged to actively involve themselves in ministry and outreach to the community. Part of this will follow naturally from a commitment to a local church. Wherever students choose to worship, we encourage involvement and participation in church activities and opportunities. Throughout the year, flyers and announcements about ministry and community involvement opportunities may be posted on bulletin boards or distributed through e-mail.

5.4. Student Government

Student government is a way for students to have an organized voice in matters that directly affect them. It is also the means by which many of the extracurricular interests and activities of campus life are organized and implemented. Elections are held each year to fill the Student Senate and executive positions. By-laws are available for all students to read on the PHC website.

See the *Student Handbook* for more information on College governance and Student Affairs policy.

5.5. Student Organizations

A number of student organizations exist on campus. Some of the official student organizations include Eden Troupe, the Socratic Club, the College Republican Club, and the Fencing Club. For an up-to-date listing of campus organizations and their current leadership, or for information on how to start an organization, contact the Office of Student Life.

6.0. SPIRITUAL LIFE

6.1. Chapel

The chapel ministry is an important part of the life of Patrick Henry College. We are firmly committed to the belief that chapel is an integral part of our education process. It enables everyone involved in fulfilling the mission of the school to come together corporately to worship the Lord. By meeting regularly, PHC faculty, staff, and students are reminded and encouraged to pursue an active and vibrant relationship with God in all that they do.

A college education at PHC is challenging and requires much time and effort to successfully accomplish all that is required. As busy as things get, however, time must also be spent cultivating a relationship with Christ. Through the chapel ministry, the PHC community, as well as anyone outside of PHC looking at the college, can see that the college's faith in Christ is important and central to the education one receives here. Furthermore, the chapel ministry provides an opportunity to come daily into Christ's presence through worship, hearing God's Word, and prayer. Christ is the focus of the PHC community and chapel is a means by which the PHC community can worship Him together.

Chapel ministry events are held 5 days a week: Monday, Wednesday, and Friday in Town Hall at 10:20 a.m., and Tuesday and Thursday in smaller group locations at 9:40 a.m.

Monday-Wednesday-Friday chapel services include a time of worship and a message by a Christian speaker. On Tuesday and Thursday mornings, Wing chapels meet at various locations under the direction of each wing's RA, typically focusing on a selection from Scripture or from some prominent Christian work. Wing chapels provide an opportunity to get to know one another in a smaller group setting.

6.1.1. Chapel Attendance Policies

Attendance at corporate chapel and wing chapel is mandatory (see the Board of Trustees-approved policy in *Student Handbook*).

All students are required to attend chapel. Students will scan into corporate chapel when they enter Town Hall. Students are permitted ten (10) absences. These absences may be used for sleep, study, illness, non-school related trips, irregular work schedules, interviews, doctor's appointments, and trips to the airport, etc. College related travel will not be counted against the (10) allowed absences. Unused absences do not carry over to future semesters.

Chapel Warning

Students who exceed their 10 absences in a semester will receive a Chapel Warning email from the Student Life Office with instructions requiring a dialogue with a Resident Director. The meeting is an opportunity to connect, discuss challenges to chapel attendance and to be encouraged.

Chapel Probation

If a student continues to miss chapel after they have been put on Chapel Warning and have met with a Resident Director they will be placed on Chapel Probation. They will receive a letter from the Dean of Students informing them of their new status, and an enrollment registration hold will be communicated to the Registrar's Office. The student will be required to meet with the Dean to have the hold removed. The purpose of this meeting is to determine why the student continues to miss chapel and how to best address the challenges.

Ultimately students who show a disregard for chapel may be asked not to return for the following semester.

Exemptions from mandatory chapel attendance may be granted to the following:

- (1) Students who live off campus and have no classes immediately before or after the chapel period
- (2) Students who are away from campus during the chapel period because of an internship.
- (3) Students with work responsibilities. (Students should, however, seek to avoid scheduling work times against chapel just as they would avoid scheduling work times against classes.)

To receive a chapel exemption, one must fill out a Chapel Exemption Form with the OSL, including a copy of the student's semester's schedule and other documentation.

When exempt students do happen to be on campus during the time for chapel, they will be expected to attend.

Students who must miss chapel because they are ill should inform their R.A.

Monitoring chapel attendance may be done in various ways, whether collecting attendance cards, recording attendance electronically, or using the honor system in which students keep track of their own attendance.

6.2 Local Churches

Students of Patrick Henry College are required to be involved in a local church. There are many good churches from nearly every denomination in the area. A list of churches is provided on the website at: www.phc.edu/local.php.

6.3. Mentoring & Accountability Partners

Part of the success of the Christian life is found in the ability to form close friendships with other Christians. The Bible tells us that “As iron sharpens iron, so a man sharpens the countenance of his friend” (Prov. 27:17). It also says that the older men should teach the younger men, and the older women, the younger ones (cf. Titus 2). Many students that come on campus naturally form mentorship relationships with upper classmen, alumni, and members of the faculty and staff. If a student wishes to meet regularly with a potential mentor or accountability partner, they should feel free to respectfully approach the individual to discuss the possibility of being mentored. The Student Life office has a list of individuals who would enjoy mentoring a student.

7.0 CAMPUS HEALTH

Student health is a priority at Patrick Henry College. Lists of local medical offices and providers and local counseling practices are provided in each residence hall and in the Student Life Office.

7.1 On-Campus Counseling

Patrick Henry College is committed to providing the best help available to our students. We have contracted with some local professional counselors to provide on campus counseling to our students free of charge to the student. Our counselors seek to utilize their professional training to assist students in their growth and development. They offer individual counseling appointments as well as small group opportunities. They are available to meet with students in the Student Life Auxiliary office, on a limited basis. Additionally, Student Life has a library of books and resources on a variety of topics available to students, and maintains a list of professional Christian counselors in the area.

7.2 Procedures for Involuntary Leave of Absence

It is the policy of Patrick Henry College to foster a campus environment that is conducive to learning, promotes its educational programs and maintains reasonable order, and protects the rights and safety of all its members. In extraordinary circumstances, the college may place a student on an involuntary leave of absence or take other appropriate action for reasons of personal or community safety.

The College may initiate an involuntary leave of absence when a student exhibits behavior that could disrupt the academic process or present a danger to other members of the College community. This policy may also apply to any student returning from a hospital confinement who needs extended observation or supervision. The following are some situations in which such action would be appropriate:

1. The student's behavior appears to pose a danger to the life, health, or safety of themselves or of other members of the College community, or to the College, its property, or the property of another member of the College community.
2. The student's behavior renders him or her unable to function safely or effectively in the College's programs, activities, or facilities without harming himself or herself.
3. The student refuses or is unable to cooperate with a recommended evaluation or treatment procedure, and the student acts or threatens to act in a manner that would interfere with or disrupt the educational process or the legitimate activities of other members of the College community.

When the College has evidence of the behavioral problems listed above, a medical/psychological evaluation may be required. The results of which will be provided to the Dean of Student Affairs. In addition, the Dean of Student Affairs or her designee may consult with the student about his/her behavior and may involve the student's parent, guardian or other appropriate adult. The Dean of Student Affairs in conjunction with other leadership of the College will make the final decision regarding approval of an involuntary leave of absence.

Post-Hospitalization for Mental Health Concerns Policy

According to research, the risk of self-harm is particularly high in the first few weeks following discharge from a hospital. Therefore, upon return to campus the student who has been hospitalized will review a care plan with the one of the Deans in Student Life. The purpose of this meeting will be to provide a set of expectations for a return to campus life and outline a plan for follow-up care.

Notification of Discharge

The student will sign a release of information permitting the hospital to notify the Dean of Students regarding the student's discharge from treatment, medication and follow-up care requirements. The Dean will notify others that need to be involved. Should a student or staff member be notified by the student of his or her discharge and request a ride, that person must notify someone in the Student Life Office prior to picking up the student from the hospital for return to campus.

Return to Campus

The student will check in with their Resident Director on return to campus. The RD will assist the student in transitioning back to resident life.

Care Plan Meeting with one of the Deans of Student Life

The meeting with the Dean will take place within 24 hours of the student returning to campus. If the student is discharged on the weekend the meeting will take place on Monday. The Dean will attempt to schedule the meeting time with the student through a hospital case manager prior to the student being discharged.

8.0. CAMPUS OPERATIONS, SERVICES & FACILITIES

8.1. Bookstore

The Patrick Henry College Bookstore is open Monday through Wednesday and Friday from 8:30 AM – 4:30 PM with a 1-hour lunch closure from noon-1pm. It is open Thursday 8:30 AM – noon. The bookstore offers all required textbooks for PHC, as well as college apparel and memorabilia.

8.2. Dining Commons

The College's full-service campus kitchen is located on the first floor of The Barbara Hodel Center. The serving line is open only during meal service hours, which are as follows:

Monday to Friday

Breakfast – 7:00 am to 9:00 am

Lunch - 11:30 am to 1:30 pm

Dinner – 5:00 pm to 7:00 pm

Saturday & Sunday

Breakfast – 8:00 am to 9:30 am

Lunch - 11:30 am to 1:30 pm

Dinner – 5:00 pm to 6:30 pm

8.2.1. Food Service Terms & Conditions for Students

- All resident students must purchase a meal plan for each academic semester in which they reside in a College residence hall. Only those resident students with a College approved
- Medical Exemption* or a College-approved Internship Exemption** may be excused from this requirement.
- First-year freshman resident students must purchase the 21-meal-per-week plan. This plan allows access to the Dining Commons during all meal service periods offered within a Sunday through Saturday week.
- First-year resident students who are sophomores and above and resident students returning for their second or subsequent years may purchase either the 21-meal-perweek plan or the 15-meal-per-week plan.
- The 15-meal-per-week plan allows access to the Dining Commons for any meal service period offered within a Sunday through Saturday week up to 15 entries. After 15 entries within any Sunday through Saturday week, the student must then pay retail for each subsequent entry desired until the start of the next Sunday through Saturday week.
- The only opportunity to change meal plans is prior to the start of the applicable academic semester. Any change after the time of initial selection and prior to the start of the applicable

academic semester will be assessed a \$25.00 administrative fee. No changes in meal plans may be made once the applicable academic semester begins.

- Participation in a meal plan does not establish or entitle any personal “ownership” of all the food in the Dining Commons, but only that food which one personally consumes while inside the Dining Commons during the applicable meal service period.
- Meal plan privileges are only provided for the benefit of the resident student who purchased the plan. Meal plan privileges are not transferrable to any other person. There is no credit accrual provided for missed meal service periods or meals not consumed.
- Resident students with food allergies or special diet needs should promptly contact kitchen staff upon their initial arrival on to campus at the beginning of the semester to make special arrangements.
- Entry into the Dining Commons is only permitted through the entrance doors directly in front of the cashier station and only when approved by the cashier. Patrons are prohibited from entering through any other exit doors. Patrons are prohibited from letting any other persons into the Dining Commons through any other exit doors.
- Resident students must place their issued PHC Student ID card in contact with the card reader upon entry into the Dining Commons for any meal service period. Each successful placement of the PHC Student ID card in contact with the card reader deducts from the 21- or 15-meal-per-week accrual applicable to the student’s meal plan. Students who want to enter the Dining Commons without their ID card must pay the retail price for the applicable meal service period. Students may not proceed past the entrance cashier station until approved for entry by the cashier.
- Resident students may only enter the Dining Commons once during each meal service period. After initial entry during a meal service period, no exit and reentry is permitted without paying the retail price for the applicable meal service period. Patrons who need to use the restroom may leave their ID card or receipt with the cashier and retrieve it upon reentry without having to pay again.
- If a PHC student wants to enter the Dining Commons during a meal service period without partaking any of the food or drink offered therein, he/she must present their ID card to the cashier. The cashier will then press a “no charge” button and swipe the student’s ID card. The cashier will also stamp the back of the student’s hand with a handstamp.
- Resident students who are too sick to come to the Dining Commons to eat may arrange for a sick meal through their RA. An authorization form (provided and signed by a RD or RA) must then be presented by the courier along with the sick student’s PHC Student ID card to obtain a to-go container (for no charge).
- Except for sick meals, resident students may not swipe any other student’s PHC Student ID card to gain entry into the Dining Commons. Except for sick meals, resident students may

not allow any other person to use their PHC Student ID card to gain entry into the Dining Commons.

- Guests of resident students are welcome to enter the Dining Commons by paying the retail price for the applicable meal service period at the entrance cashier station.
- Patrons who need to carry-out their meal may purchase a single to-go container for an additional \$1 (after cashier has verified that the patron's meal access has been paid).
- To-go patrons must then fill their container and promptly depart. To-go patrons may not eat inside the Dining Commons. No seconds are permitted for carry-out. Patrons may not eat-in AND also carry-out a loaded to-go container during the same meal service period. To-go containers may only be purchased upon entry into the Dining Commons.
- Initially served portions are purposely modest. If you want more, politely ask. Please refrain from taking too much food and eat all the food you take to minimize waste.
- After eating a meal inside the Dining Commons, patrons are allowed to casually carry out (for prompt personal consumption only; not for anyone else) in moderation the following limited food items only:
 - A single piece of hand fruit (apple, banana, orange, etc.)
 - A single muffin, donut, bagel, or pastry
 - A single brownie or cookie
 - A single drink in a foam cup (no other food items may be carried out inside a foam cup)
 - A single serving of soft serve ice cream in a provided cone or small foam bowl (soft serve ice cream may not be loaded into any other containers)
- Patrons are prohibited from carrying out any other food items from the Dining Commons for any purpose including, but not limited to, the feeding of other persons or groups and/or stockpiling for future consumption.
- Patrons are responsible for bussing their own trays, plates, bowls, cups, utensils, and waste away from the tables and to the dishwashing drop-off window. Discard all disposables into the trashcans; do NOT discard any reusable dishes or utensils. Place all loose dishes and utensils onto a tray before placing them onto the conveyor belt.
- Trays, plates, bowls, cups, and utensils may not be carried out of the Dining Commons.
- Resident students may opt out of participation in the meal plan for the following two reasons only:

***Medical Exemption:** A resident student may opt out of the meal plan if the student provides a letter from a licensed, practicing physician (who is not related to the student) that documents the physician's completion of all following procedural requirements:

- the physician has, within the past 60 days, performed a complete physical examination of the student;
- it is the physician's professional opinion, after direct discussion with both the College's food service director and the Vice President of Finance and Administration, that the food regularly offered in the Dining Commons is not compatible with the student's unique nutritional needs;
- it is the physician's professional opinion, after direct discussion with both the College's food service director and the Vice President of Finance and Administration, that the College is unable to reasonably make the necessary adjustments or additions to the menu to meet the student's unique nutritional needs; and
- it is the physician's professional opinion, after direct discussion with and education of the student, that the student will be able to meet all of his/her own unique nutritional needs without having to cook food inside his/her residence hall, only using the appliances permitted inside the residence halls (i.e., small refrigerators, microwaves, coffee makers, hot pots, and popcorn poppers).

****Internship Exemption:** Resident students who are forced to miss Dining Commons meals due to a full time (40 hrs, M-F) off-campus, College-approved, for-credit internship may choose to opt out of the meal plan entirely after the start of the applicable semester or internship, whichever comes first. This option exempts the student from all meals for the remainder of the semester and no sooner than the first date of the applicable internship; no partial options will be granted. In opting out, the student's ID will be restricted from regular access to meal service. A pro-ration of the unused portion of the student's prepaid meal plan for the semester will be refunded to the student. Once students have withdrawn from the meal plan they will not be allowed to re-enroll in the plan until the following semester. Exercising this option requires completion of a form that can be obtained from the Office of Finance and must be authorized by the student's internship faculty supervisor contemporaneous with the start of the internship.

- Failure to comply with these terms and conditions may result in revocation of access privileges to the Dining Commons and/or disciplinary action.

8.3. Facilities Guidelines

8.3.1. Classroom and Facility Use

All classroom and facility use on campus is governed in accordance with the Property Use Policy which is posted on the CAMS portals.

Students are free to use any of the classrooms whenever they are not reserved for some other use. Students may reserve classrooms through the Scheduling and Events Coordinator. Students who have not reserved a classroom or other area are free to "hang out" unofficially, but must defer to prior reservations, as well as maintenance and cleaning crews. In all cases, the needs of the school take precedence.

The campus master calendar is kept current by the Scheduling and Events Coordinator and posted on the PHC website at <http://www.phc.edu/campuscalendar.php>. All campus events are recorded and cleared through the Scheduling and Events Coordinator. The scheduling of all campus facilities is also cleared through the Scheduling and Events Coordinator at extension 8801.

8.3.2. Food & Drink

According to Library policy, “reasonable food and drink are allowed.” This also applies to classrooms, unless the professor objects. Other rooms and spaces may have their own policies. Consumers of the food and drink should take full responsibility for any accidents.

8.3.3. Lost & Found

Any unattended personal items found lying around will be placed in lost and found bins located in residence hall laundry rooms, Town Hall, the Student Life Office, and the west end of Founders Hall near Classroom 2. Every Friday these items are up for anyone to claim and on Saturdays the unclaimed items will be disposed of.

8.3.4. Posters, Promotion, Publicity, & Announcements

Items posted in The Barbara Hodel Center may only be posted on the bulletin boards and must be approved by the Office of Student Life.

8.3.5. Telephones

There are telephones located in each residence hall lobby and in the lobby of Founders Hall, opposite the reception desk. Calling cards are needed for all long-distance calls.

8.3.6. Vending Machines

Soda and snack vending machines are located around campus. If there is a problem with a vending machine, please call the vendor’s toll-free customer service number placarded on the machine.

8.4. Guidelines for Campus Grounds

8.4.1. Bicycles

Every bicycle brought to campus must be registered with the Office of Public Safety & Services by submitting a completed bicycle registration form noting the make, model, serial number, and color. Bicycles are not allowed on campus without a bicycle permit. Permits cost \$20 per semester and may be purchased on the student portal or obtained through the Office of Public Safety & Services. The permit must be displayed on the main frame of the bicycle.

Every bicycle must have a working lock mechanism, and all bicycles must be kept in good repair. Students must keep their bicycles locked at all times when the bicycles are not in use. The lock mechanism must be shown when registering the bicycle in order to receive a bicycle permit. If a bicycle becomes nonfunctional, the owner must remove it from campus. All bicycles must be removed from campus for each summer break, unless the student is a summer employee or when the owner permanently moves off campus.

Patrick Henry College is not responsible for any damage to bicycles.

Bikes should not be ridden over any landscaped grass or flowerbeds, and should be parked at a bike rack whenever they are not in use. Bike racks are located at Founders Hall, Hodel Center, and along Covenant Court.

8.4.2. Skating

Rollerblades, skateboards, and scooters are not to be used inside any campus building. Students are free to use these items on any of the campus pavement. Students are not to leave any of the above parked anywhere on campus, other than at the bike racks or in their residence hall room.

8.4.3. Swimming, Boating, Fishing, & Ice Skating

The pond located between the residence halls and the Founders Hall is a storm water drainage pond, designed to collect run-off from excessive rain and flooding. As such, it is subject to contamination by goose droppings, pesticides, fertilizer, and oil. Accordingly, swimming and fishing in the pond are not permitted.

Virginia winters rarely get cold enough to thoroughly freeze the pond. The ice may look secure, but it could be extremely dangerous. No one is permitted on the ice at any time.

Boating on the pond is acceptable at times but must be pre-approved in each instance by the Office of Public Safety & Services.

8.4.4. Vehicle & Parking

Any active student with a vehicle must display a valid PHC parking permit on said vehicle for each semester in which the student is active on the College rolls. No active student with a vehicle (or access to or use of a vehicle) can evade this requirement. Driving and parking a vehicle on campus is a privilege and not a right, and may be revoked at the sole discretion of the College.

Each such student is required to obtain their parking permit and register his or her vehicle with the Office of Public Safety & Services by completing a Vehicle Registration & Parking Agreement form located on the student portal. Each vehicle must be registered immediately upon arriving on campus. Permits must be displayed in the lower driver's side corner of the rear windshield of the vehicle in a manner that it is easily seen from outside of the vehicle. Any and all expired parking permits shall be removed. All student parking permits cost \$90 per semester (i.e., fall, and spring). There is no cost for the summer parking decal.

A valid state vehicle license and registration shall be maintained for each student vehicle parked on campus. The owner of each such vehicle must maintain liability insurance on each such vehicle as required by the state Department of Motor Vehicles. Only one motor vehicle per registrant may be parked on campus at any given time unless the Chief of Campus Safety has provided an exception. Students must obtain a short-term temporary parking permit for any rented, loaned, or borrowed vehicle they may need to park on campus. This temporary parking permit can be obtained on the student portal under "Guest" registration or at the front (Campus Safety) desk of BHC. Each motor vehicle must be in a working, street-legal, road-worthy, drivable condition to park on campus.

Students are prohibited from parking any motor vehicle on campus that does not meet all of the above-stated criteria. Whenever any such vehicle becomes deficient in meeting one or more of the above stated criteria (i.e., license tags expired, insurance lapsed, flat tire, mechanical breakdown, wrecked, etc.), the owner of the vehicle must immediately bring the deficiency to the attention of the Office of Public Safety & Services. An explanation of the problem and the timeframe needed to

resolve it must be agreed upon by the Office of Public Safety & Services (typically no more than 14 days).

The campus speed limit is 15 miles per hour. Drivers whose speed is perceived to be greater than this may be ticketed. Vehicles that are parked improperly will be ticketed and possibly towed at the owner's expense. The fact that a citation is not issued when a vehicle is illegally or improperly parked does not mean or imply that the applicable terms and conditions are no longer in effect.

Students must park vehicles on campus, whenever they have reason to be on campus. One may not park in the neighborhood or shopping center across the street "for free" and walk to campus. Students may park only in the designated parking spaces on campus for which they are authorized. Parking in a handicapped space without a valid handicap permit, in the spaces reserved for bicycles, in the visitors' parking lots (to the west of Hodel Center and to the west of Founders Hall) during business hours, in front of any building (i.e., BHC, Founders and any Dormitory), or in any parking space not authorized by a student's PHC-issued permit is prohibited at all times. Commuter students can only park vehicles in spaces marked "VISITOR" in the large lower parking lot to the east of Founders Hall, or in an unmarked space in the Hodel Center parking lot. If these spaces are full, the gravel lot should be used. Student parking in spaces marked "STAFF" and the visitors' parking lots (to the west of Hodel Center and to the west of Founders Hall) is not allowed between the hours of 7:00 AM and 5:00 PM on regular business days.

Parking in front of a building or dormitory is only allowed for temporary loading purposes. Such parking shall only be on the FAR side of the road opposite the building entrance, shall never exceed 10 minutes, and is only allowed with 4-way emergency flashers on. Stopping, standing, or parking along any fire lane is prohibited; the Fire Marshal may ticket any vehicle in a fire lane.

Vehicles must be removed from campus for Christmas Break and Summer Break, unless the student is employed on campus during the Break. During the Summer and Christmas break, students have the option of storing their vehicles in the gravel lot behind Founders. Students must submit a completed Vehicle Storage Agreement to the Office of Public Safety & Services via email.

The College is not responsible for loss or damage to vehicles parked on or in transit on PHC property, nor any contents or occupants therein.

8.5. ID Cards

All students are issued Student ID cards during orientation. These cards include a student picture, barcode, and expiration date. Student ID cards expire after the last day of each semester and must be validated at the beginning of each new semester. The ID cards are necessary to check books out of the library, to gain access to meal service in the Dining Commons, and to operate certain electronic door locks on campus. There is a \$25 fee to replace a lost ID card.

8.6. Mail Center

A full-service Mail Center is located on the lower level of Hodel Center. Mail Center hours are from 8:30am-5:00pm, Monday-Friday. It is closed on weekends and on holidays observed by the College.

Each student is assigned a mailbox with a combination lock. Outgoing stamped mail can be dropped in the slot to the right of the mailboxes. Students will be notified if packages are received. Mail is not

delivered to the residence halls. Mail addressed to students should follow the pattern of the address below:

First Name Last Name
PHC Box ###
10 Patrick Henry Circle
Purcellville, VA 20132-3198

9.0. STUDENT COMPUTER & TECHNOLOGY USE

Please see the *Student Computer & Technology Use Policy* in your student portal under College Publications.

10.0. CAMPUS HEALTH

See **CAMPUS HEALTH MANUAL** on the Student Portal in CAMS.

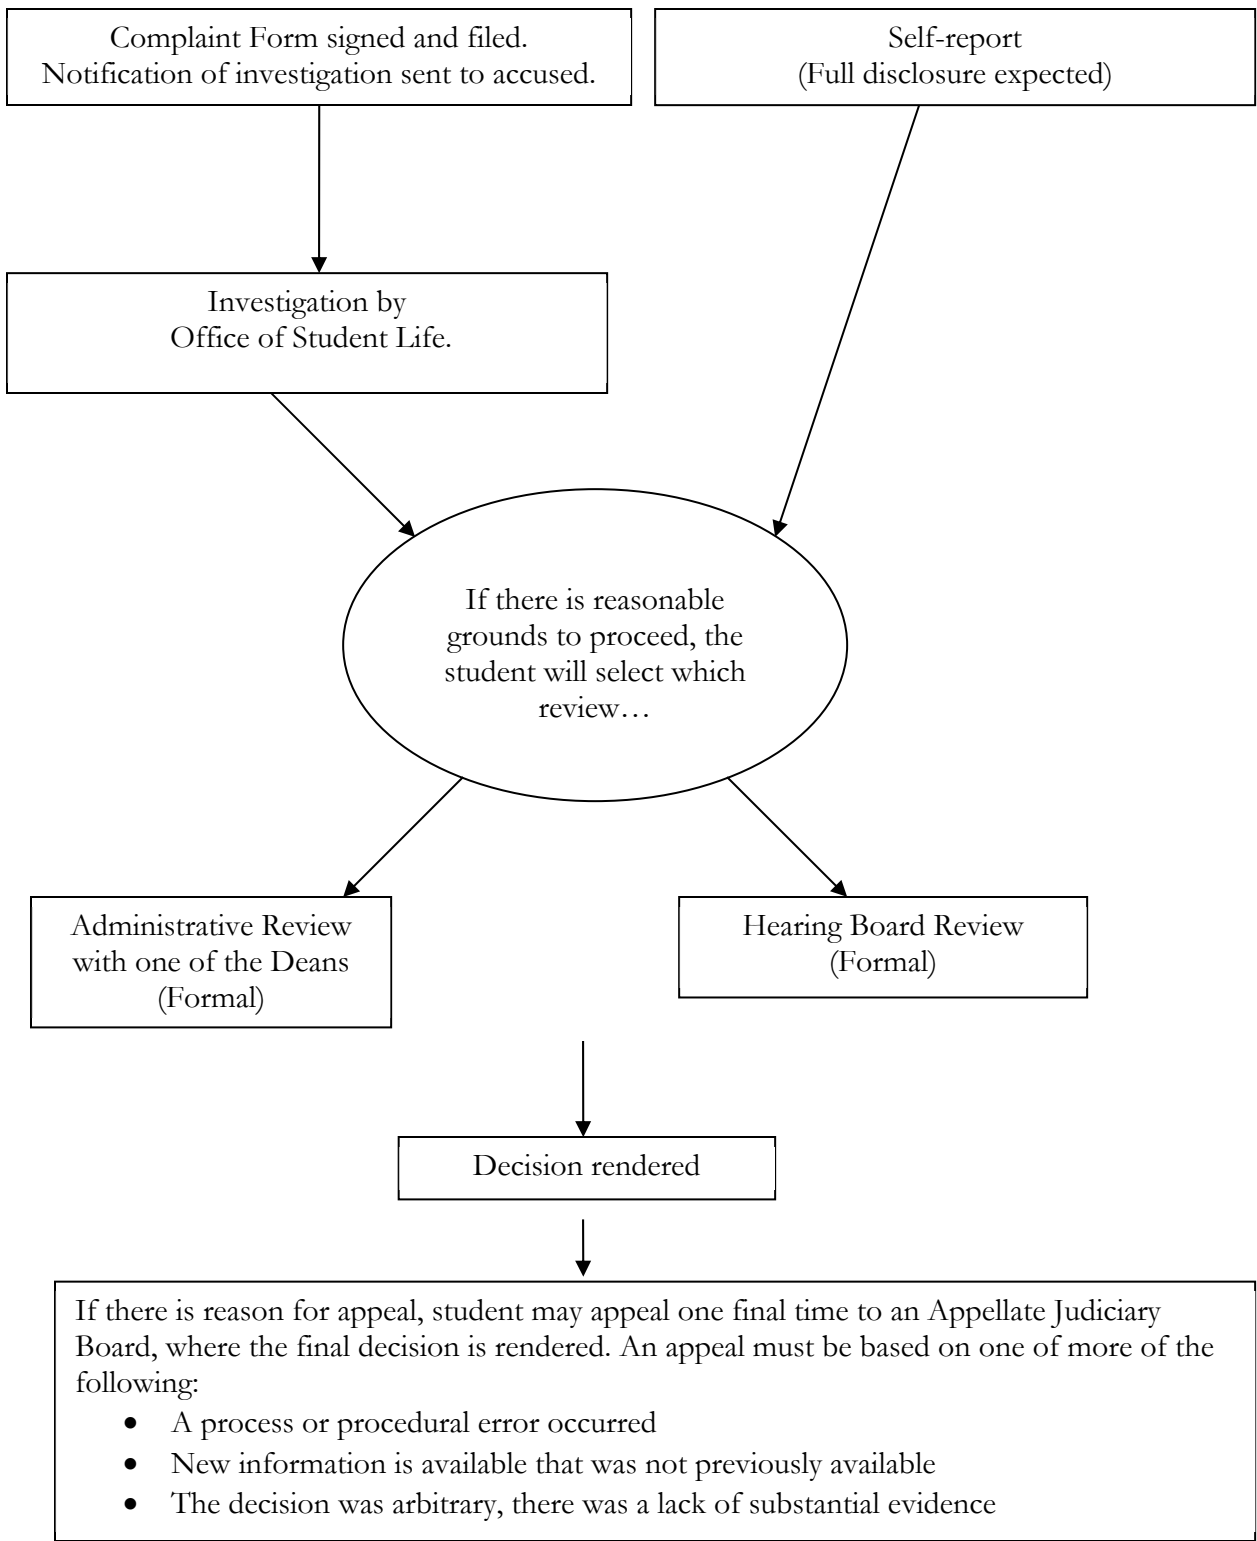

11.0. FINANCE

Please consult the *Catalog* for information regarding tuition, financial aid, and billing policies. For more specific queries, please contact Student Billing (ext. 8760) or Financial Aid (8140).

11.1. Student Employment

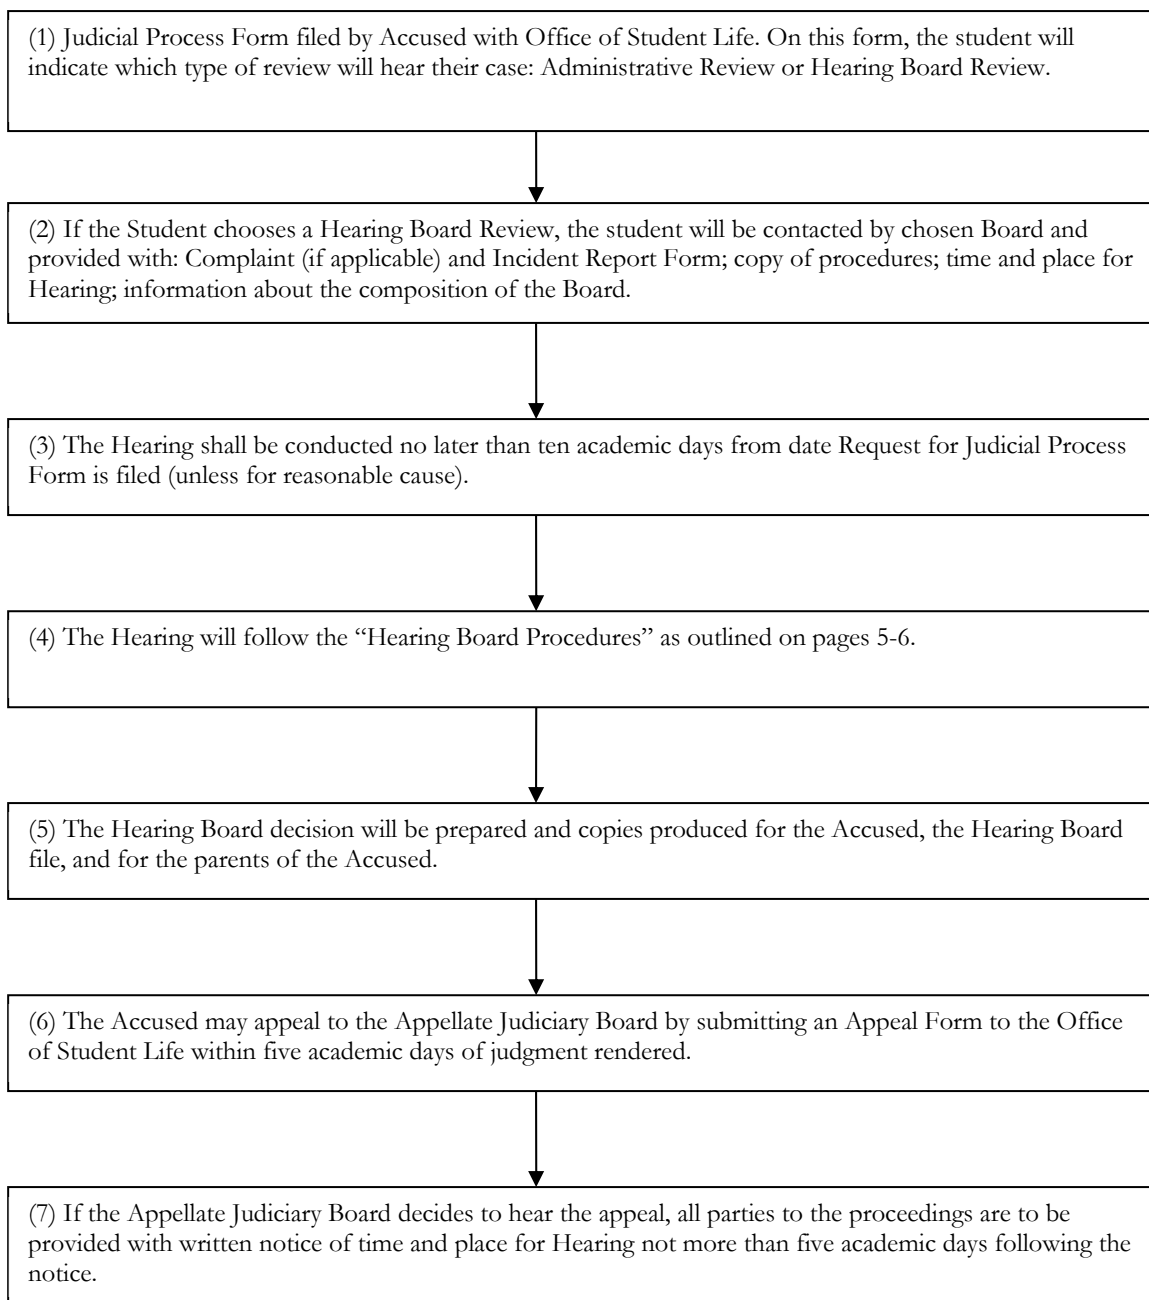

Job placements are coordinated through the Office of Human Resources (ext. 8770). More information, including job postings and application forms, is available on the Student Portal. Student employees should refer to the *Student Employee Manual* for more detailed information.

APPENDIX A: JUDICIAL PROCESS
1.0. JUDICIAL PROCESS OVERVIEW

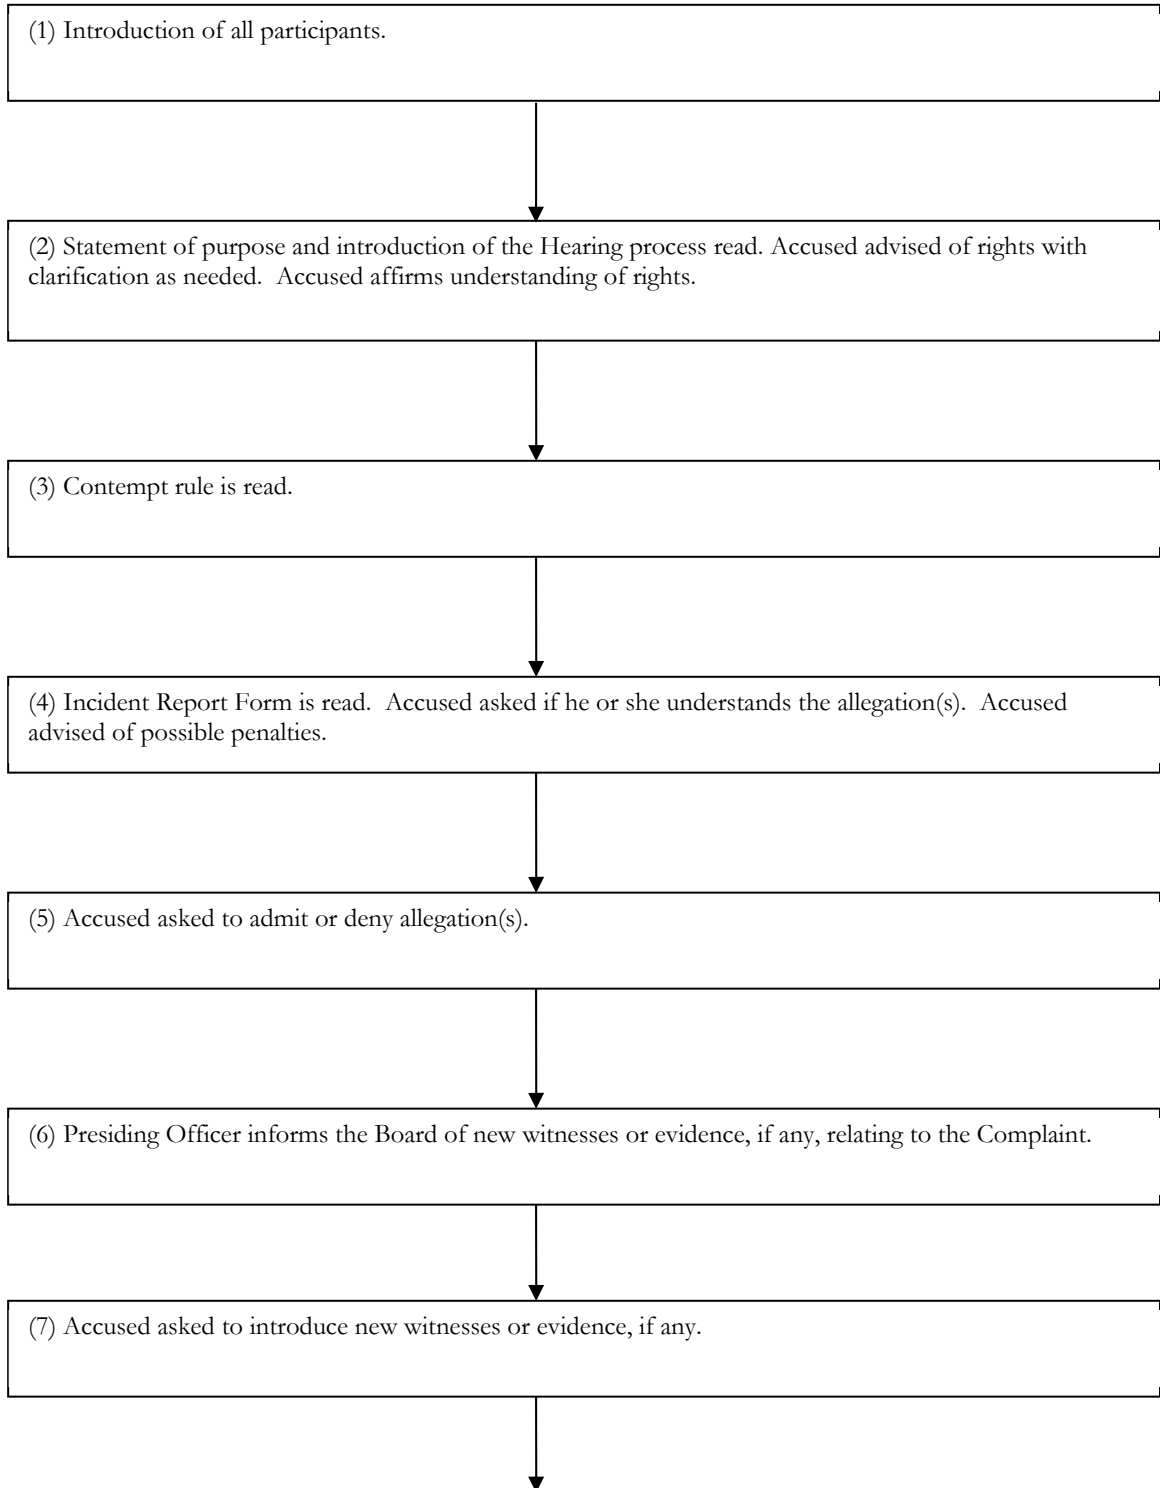

1.1. Formal Hearing Process

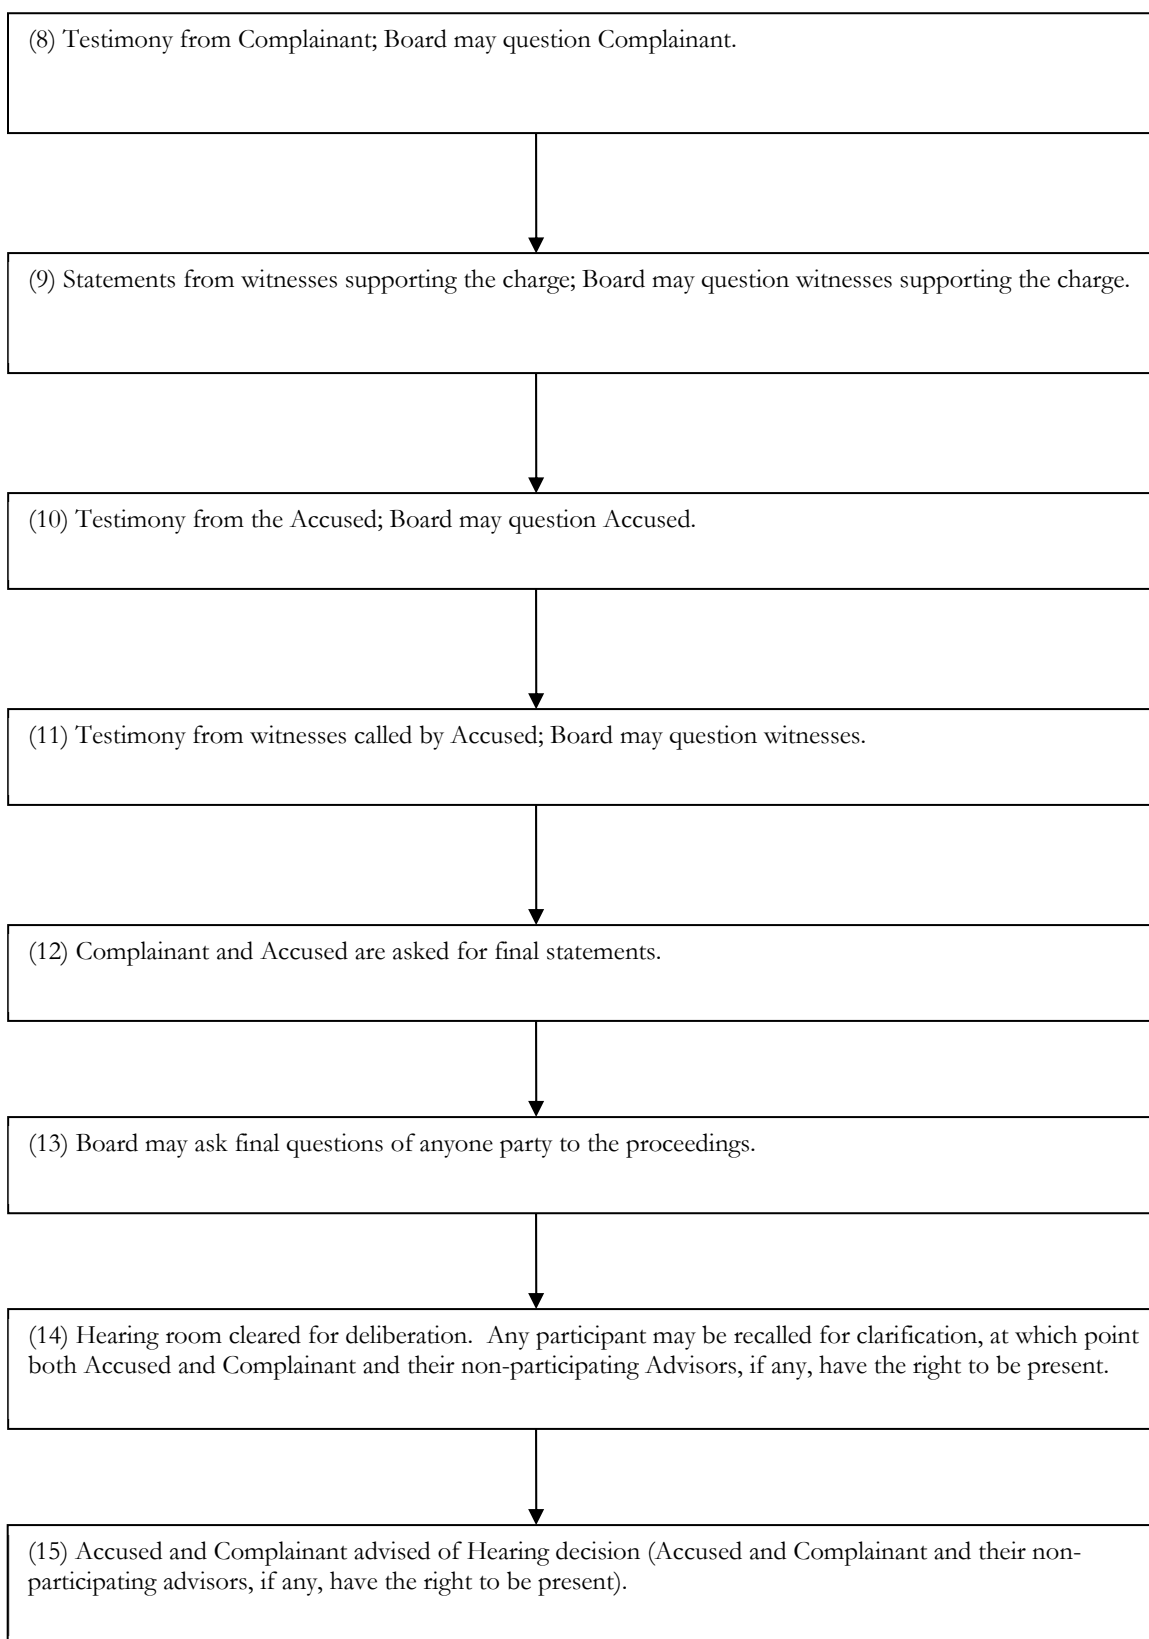

(Occurs if accused student chooses formal hearing)

1.2. Hearing Board Procedures

(details of box four on previous page)

1.3. Judicial Process Forms

Form	Description	Completed by:	Turned in to:
Complaint Form	Contains names of Accused and Complainant, nature of complaint, and evidence.	Any member of PHC community who has evidence of violation of a rule (blank form is publicly available).	Office of Student Life (OSL). OSL gives copy to Hearing Board if Request for Judicial Process Form is filed. OSL gives copy to Appellate Judiciary Board if Appeal Form is filed.
Incident Report Form	Describes investigation and what violations may have occurred	OSL.	Filed by OSL and copy given to Accused. OSL gives copy to Hearing Board if Request for Judicial Process Form is filed. OSL gives copy to Appellate Judiciary Board if Appeal Form is filed.
Request for Judicial Process Form	Student states that he is initiating formal process and which Board will hear case.	Student who has received Incident Report Form and wants case to be heard by a Board.	OSL. OSL gives copy to Hearing Board. OSL gives copy to Appellate Judiciary Board if Appeal Form is filed.
Appeal Form	States that student is appealing the decisions of Administrative Review or Hearing Board Review. An appeal must be based on one of more of the following: ~A process or procedural error occurred ~New information is available that was not previously available ~The decision was arbitrary lacking substantial evidence	Student who has received a decision from the Dean or the Hearing Board. Must be filed within five academic days after receipt of decision from the Dean or the Hearing Board.	OSL. OSL gives copy to Appellate Judiciary Board.
Records Request Form	Requests records for a particular case. Records are only available for cases that proceed to the formal judicial process. Records are released within five academic days of request. Records will be released to either the Accused or Complainant with only his own signature. In cases involving allegations of sexual misconduct, both the Accused and Complainant must approve any release of records	Anyone, assuming Accused and Complainant both agree to release records.	OSL.

1.4. Judicial Process Details

1.4.1. Reporting Complaints

A complaint is a claim that a PHC student has violated a Community Standard. Any member of the College community may file a Complaint Form with the OSL. Complaints involving allegations of sexual harassment or assault please follow the procedures outline in our *Sexual Misconduct Policy*. All other complaints must be filed within thirty calendar days of the incident. Requests for an extension to file a complaint may be made to the OSL no later than fourteen calendar days before the deadline to file a complaint. The OSL then has two academic days to grant or deny the request.

1.4.2. The Office of Student Life (OSL)

- A. The Office of Student Life shall investigate Complaints, keeping written documentation of all aspects of the investigation. The OSL will complete and file an Incident Report Form and give a copy to the Accused.
- B. The Accused will indicate which review he or she may choose for Judicial Process with the OSL.
- C. If the accused indicates he or she would like to be reviewed by a Hearing Board, written documentation shall be provided to the Accused not more than five days after the request is made by the Accused or his advising representative.
- D. All Records concerning a case heard before a Board, including evidence and documentation of the investigation, shall be made available to the Accused. Audio recordings may be listened to in the OSL, but they may not be removed and copies may not be made. Misrepresenting or omitting evidence is a serious violation of the community trust.
- E. Records of informal resolutions will not be available unless a case moves to the Appeal Judicial process.

1.4.3. Records

- A. Records of student disciplinary cases shall be filed by the OSL in a secure manner to ensure confidentiality. Records for cases heard by Hearing Boards are released within five academic days of request. Records will be released to either the Accused or Complainant with only his own signature.
- B. The OSL will keep a cumulative record of all cases which reflects for each case the charges, the decision of the Board, and the penalty given. The document will be updated after each case, so it is always kept current. All names will be omitted from this document, and the cases will be randomized. Any member of the PHC Community may view this record in the OSL, but may not make copies of it. Normally, this document will contain records of cases from the past calendar year, but upon request, records for longer periods of time will be available.

1.4.4. Changes in Procedure

Changes to student Judicial Process procedure require the approval of the President.

1.4.5. Description of Boards

The Hearing Board consists of two students elected by the Student Senate, two faculty members elected by the Faculty Senate, and once staff member elected by the Cabinet.

The Appellate Judiciary Board consists of one faculty member elected by the Faculty Senate, one student elected by the Student Senate, and one Cabinet member elected by the Cabinet.

All Boards stand for one year. A quorum is required for all elections. Board members are eligible for reappointment. The body responsible for electing a representative may remove a member and may fill vacancies.

1.4.6. Penalties

The OSL (under formal resolution) or a Hearing Board Review (under formal review) may choose to impose one or more of these penalties to a student who is found, based on the evidence available, to be responsible for the action of which the student is accused:

- A. Warning: A student may be given a formal written reprimand.
- B. Restitution: A student may be required to provide financial compensation to PHC or other parties in order to cover the cost of the damaged property.
- C. Monetary Fine: A student may be required to pay a specified fine.
- D. Community Hours: A student may be required to volunteer a specified number of hours without pay.
- E. Counseling: A student may be required to see to a counselor.
- F. Removal of Activates or Privileges for a Specific Period: The student may not participate in College clubs, events, and extracurricular activities. This includes intercollegiate and intramural athletics, student government, and other social events.
- G. Involuntary Removal of Offending Cause: If a student's property, such as pets or stereos, is the subject of a Complaint, the student may be required to remove the property from campus.
- H. Involuntary Relocation: Involuntary Relocation requires a student to move to a different room, different residence hall, or off-campus by a specific date.
- I. Probation: Probation is a specific period of time during which the student's behavior is under especial scrutiny. Violations occurring during this time will be considered more serious than they would without the condition of disciplinary probation.
- J. Suspension from College Activities: The student will not be permitted to engage in PHC activities, official clubs, college sporting events, debate tournaments, etc.
- K. Suspension from the Campus: The student will not be permitted to engage in PHC activities and may not reside or eat on campus for a specific period of time. This suspension may also extend to the remainder of the semester and require the student to reapply for admission to the College.
- L. Expulsion: Student status is permanently terminated.

2.0. TERMS, DEFINITIONS, AND COMPOSITION OF THE DISCIPLINARY SYSTEM

2.1. Individuals:

2.1.1. Accused

One or more students who is/are alleged on a Complaint Form to have broken a PHC rule.

2.1.2. Complainant

One or more persons who file a Complaint Form.

2.1.3. Advisor

Each Accused and Complainant may have a non-participating Advisor present at Hearings. This advisor may be a parent or a member of the PHC community. The Advisor will not act as a representative during the Hearing, but may be consulted by the Accused or Complainant at any point during the Hearing. If the case involves accusation of sexual misconduct, misdemeanor, or felony, the Accused and Complainant may hire an outside attorney as a non-participating Advisor.

2.1.4. Member of the College Community

Members of the College Community are PHC students, PHC faculty and staff, and members of the PHC Board of Trustees.

2.1.5. Presiding Officer

The Presiding Officer conducts the Hearing and shall be chosen by the Board in question. He is responsible for explaining the judicial procedures to those involved in the Hearing and for delivering Summonses, Subpoenas, and other Hearing paperwork.

2.1.6. Student(s)

“Student(s)” herein refers to PHC student(s).

2.2. Other definitions:

2.2.1. Office of Student Life (OSL)

The OSL consists of all full-time professional staff members reporting to the Vice President for Student Life. If a situation arises in which none of these individuals are able to perform their duty as described herein, the Dean of Student Life may designate another individual, which may not be a student, to serve on behalf of the OSL.

2.2.2. College Hearing Board

“College Hearing Board” refers to any of the Boards described herein (Hearing Board and Appellate Judiciary Board). These may also be referred to as the “Hearing Board” or the “Board.”

2.2.3. Complaint

A complaint is an alleged violation described on a Complaint Form.

2.2.4. Contempt Rule

The rule states: Any act or conduct which violates the instructions or procedural rules of or shows disrespect for the dignity or authority of the College Hearing Board while in session, or which obstructs, interrupts, prevents, or embarrasses or tends to obstruct, interrupt, prevent or embarrass, the investigation, the hearing, or the administration of justice shall constitute contempt of the Board. Any member of the College Hearing Board may instigate a contempt charge, and it shall be decided by a majority vote of the Board. Contempt charges brought during a hearing shall be decided at that Hearing.

2.2.5. Summons

A Summons is an order to an Accused or Complainant to appear at the Hearing. The OSL and the Presiding Officer may issue summonses. If the summoned individual does not appear at the Hearing, he will be considered in Contempt.

2.2.6. Subpoena

A Subpoena is an order to anyone other than the Accused and Complainant to appear at the Hearing. Subpoenas may be issued by the OSL or the Presiding Officer. If the subpoenaed individual does not appear at the Hearing, he will be considered in Contempt.

2.2.7. Summary Suspension

In cases where the safety of people or property is endangered by the presence of a student on campus, the Dean of Student Life may suspend the student prior to any Hearing. In this case, the summarily suspended student will be given the opportunity for a Hearing within ten days of the suspension or as soon as reasonably possible.

3.0. GENERAL OPERATING PROCEDURES

1. One Hearing may be held for multiple students accused of participation in a single violation. Upon request of an Accused, the OSL or a Presiding Officer may grant a separate Hearing.
2. The OSL and the Presiding Officer of a Hearing may issue Summonses and Subpoenas at any point before or during a Hearing. Other individuals may request that the OSL or Presiding Officer issue Summonses or Subpoenas. If a student fails to appear after receiving a Summons or Subpoena, that person may be held in Contempt.
3. If the Accused is properly notified but fails to appear at a Hearing, the Board may decide to begin the Hearing in the absence of the Accused. It may also arrange for a new Hearing. The Accused may be held in Contempt for failing to appear at the Hearing.
4. In deciding whether or not the Accused is in violation of a rule, the Board must consider the facts of the case at hand and not the facts or outcomes of previous cases involving the Accused. Character witnesses may provide evidence of the general truthfulness or untruthfulness of the Accused, but no witness may present facts of previous violations or alleged violations. An exception allowing evidence from previous Hearings may be made at the discretion of the Board if it determines that the facts of a prior case heard before a Board are important to determining the truth of the case at hand, but if this exception is made, the Board should exercise due diligence in understanding the whole of the facts of the prior case in order to avoid prejudice. The decision of violation or no violation should ultimately be based on the evidence of the case at hand.
5. In determining Penalties, the Board may consider the nature of the violation, the attitude of the Accused, extenuating circumstances, and the prior conduct record of the Accused.
6. The Board must decide cases based upon the standard of clear and convincing evidence (reasonable certainty). The Board will consider the whole of the evidence, including considerations of bias, consistency, and credibility of witnesses. In all cases, the Accused shall be presumed innocent unless the evidence is determined through the Judicial Process described herein to rise to the requisite standard.
7. If an Accused student withdraws from the College before his Hearing takes place, he may still participate in the Hearing. If a student chooses not to participate, the Hearing will still be held. Readmission may be affected by unresolved investigations or cases decided against a student.
8. The OSL is responsible to see that penalties are carried out. Upon completion of penalties, the OSL will note this in the written record of the case and give a copy of this statement to the Accused, indicating that the case has been closed.
9. Basic standards of fairness are required in the presentation of evidence. The Accused has the right to present reasonable evidence for his defense, and the Complainant has the right to present reasonable evidence to support the Complaint. The Presiding Officer may decide to exclude evidence from deliberation that does not meet basic standards of fairness, and a majority of the Board may vote to override the Presiding Officer. The Hearing may be recessed by the Presiding Officer in order to gather more evidence.

10. In cases involving allegations of sexual misconduct, care should be taken in the treatment of the Complainant during the Hearing. Evidence of sexual behavior of the alleged victim with the accused may be presented. However, evidence of the general reputation of the alleged victim concerning sexual behavior is not admissible unless relevance and reliability are first established. In determining whether such evidence will be allowed, the Board must weigh the value of the evidence with the possibility of undue prejudice. These cases will be private.
11. Each Accused and Complainant has the right to a non-participating Advisor as described in Appendix A.
12. In order for a Hearing to take place, all members of the Board must be present. If a Board member is unable to attend or chooses to recuse himself, the body that chose that member may elect a substitute. A member of the OSL may also choose to recuse himself during informal resolution.
13. Hearings are closed by default to all but the Accused, the Complainant, their non-participating Advisors, and Hearing Board Members. The Board may vote to allow other individuals to attend the Hearing. The trial shall be open to the campus community at the request of the Accused. In cases of sexual harassment or assault, the trial shall not be open to the campus community.
14. Graduation of a student may be denied or delayed until an open case has been closed.

4.0. RIGHTS OF THE ACCUSED & THE COMPLAINANT

1. These rights must be read to the Accused at the beginning of each Hearing.
2. Any Accused shall have the right to a formal Judicial Process and to choose whether his case will be heard before the Hearing Board.
3. The Accused and Complainant have the right to a non-participating Advisor as defined in Appendix A. This right is subject to the limitations described in Appendix A.
4. At least two academic days before the Hearing, the Accused must be notified if there are witnesses prepared to testify against him and be informed of the nature of the testimony to be given. The Accused will also be given the opportunity to examine other evidence submitted against him. The Complainant shall also receive the same notification two academic days before the Hearing.
5. The Accused has the right to call a reasonable number of witnesses as determined by the Hearing Board.
6. Subject to the provisions herein, the Accused has the right to an open Hearing if desired, except in cases involving allegation of sexual misconduct, which will be closed unless both the Accused and Complainant consent to an open Hearing.
7. The OSL shall make a recording of each Hearing. Recordings are considered part of the record of the Hearing and will be kept by the OSL, but will only be available to be heard in the OSL. A secretary will take minutes during the Hearing, which become part of the official record of the case. The minutes will be released in the event that the whole record is released.
8. Any Accused has the right to hear testimony and see evidence against him during the course of a Hearing. While the Accused may not question witnesses, he has the right to express to the Board, during final statements, concerns about the validity of testimony from the Complainant or witnesses supporting the charge. The Board may then ask further questions of any participant, at its discretion.
9. The Accused has the right to remain silent. In this case, the Board will consider the evidence presented in order to determine whether or not the accused is in violation, but will not take the silence of the Accused into account.
10. The Accused has the right to a Hearing held no later than three months after the filing of a Complaint.
