

Patrick Henry College Teen Leadership Camps 2018

Unaccompanied Minor Flight Information

Patrick Henry College Teen Leadership Camps is happy to assist families using airlines' Unaccompanied Minor services. We have a counselor dedicated to the retrieval and drop off of campers signed up for airlines' Unaccompanied Minor services. All our camps require that you fill out a Travel Form in the online registration portal (Active Network) to let us know the travel plans for your student. This form includes questions about flight information and any unaccompanied minor plans. The Travel Form is the primary resource that Teen Camps uses for generating our airport shuttle and unaccompanied minor schedule. If a camper is signed up for an airline's Unaccompanied Minor service, their flight must arrive and depart during our shuttle times, so that our camp staff member can be there to sign necessary documentation.

Airline policies require ticket purchasers to provide the name, address, and contact information for the counselor dropping off and picking up students signed up for the unaccompanied minor service. We are happy to provide this information for airline use only. We ask that parents not use the counselor's contact information for personal use. If you have questions regarding your student's travel needs, please contact Grace Richardson, Camp Coordinator, at 540-441-8105 or via email at teencamps@phc.edu.
