

### **Waypoint Pharmacist Advisors Grows Team Again with New Advisor**

Summerville, SC – Waypoint Pharmacist Advisors ([www.waypointrx.com](http://www.waypointrx.com)) continues to grow their team by adding Becky Johnson as their newest Advisor. Her primary responsibility will be business development, and working with independent pharmacy owners to help them achieve their personal, ownership and financial success. Becky is passionate about working with small businesses, and is excited to take this new challenge head on. “I am thrilled to join the team at Waypoint! They share my love of relationship building and my desire to serve others,” said Johnson.

Becky has experience working as an Employee Benefits Account Manager and Office Manager, with a demonstrated history of working in the insurance industry and in Human Resources. She is a graduate of Clemson University, and currently lives in Greenville, SC area. Ben Coakley, a Certified Financial Planner for Waypoint Pharmacist Advisors said, “Becky will be a great addition to our team. We look forward to big things from her. She has a huge heart and is ready to serve pharmacists and pharmacy owners. She has a very bright future with WaypointRx”.

#### **About Waypoint Pharmacist Advisors**

Waypoint Pharmacist Advisors is the consummate friend to pharmacy owners. They are distinguished for their unwavering commitment to helping pharmacy owners maximize their personal, financial and pharmacy ownership success. By constantly listening and surveying the market, Waypoint stands out because of the unique, proprietary programs and tools they bring to the independent community pharmacy industry.
