

HOW TO VIEW A SAVED ENQUIRY - APPLE

Viewing a saved enquiry is a quick way to pull up sales for the customers or products that matter the most to you. This is especially helpful if it takes several steps to get to the sales you'd like to see.

01 From the home screen (or from the Enquiries tab) tap **Saved Enquiries**.

02 Tap on an enquiry type to expand that section and see your saved enquiries.

03 Tap on a saved Enquiry, to load the results.
