

## HOW TO CREATE A CUSTOMER SNAPSHOT REPORT ON YOUR APPLE DEVICE

Generating Snapshot Reports will give you an account review document which can lead you to ask the right questions and identify sales opportunities with your customers. This guide will show you how to create a customer facing report for any of your accounts.

01

From the home page, use the **Quick Search** to find the account you wish to create a report for by searching for the (full or partial) account number or name.
