

## HOW TO SYNC MYCALLS TO YOUR GMAIL ACCOUNT AND ANDROID DEVICE

This guide shows you how to sync your MyCalls schedule with your Gmail account on your Android device. Please note: You will need to have a Gmail account set up on your Android device for this how to guide to work.

01

From the black navigation bar at the top of the screen, click **MyCalls**.

02 In the MyCalls screen, you will see a button in the top right, beneath your company logo, which says **Subscribe**, click this.

**03** A new window will open, and you will see two URL addresses. The bottom address is for Google Calendar in Gmail. Highlight this URL address and copy it.

## **08** Paste the URL you copied from sales-i into the URL box, then click Add Calender.

Your MyCalls Calendar is now synced with your Gmail Account and will appear on Google Calendar app on your Android Device.

**09** We recommend changing the name of the calendar to 'sales-i' or 'MyCalls' to make it more easily identifiable from your other Gmail calendars.
