

How To Change Settings In Sales Vs Gaps

Android

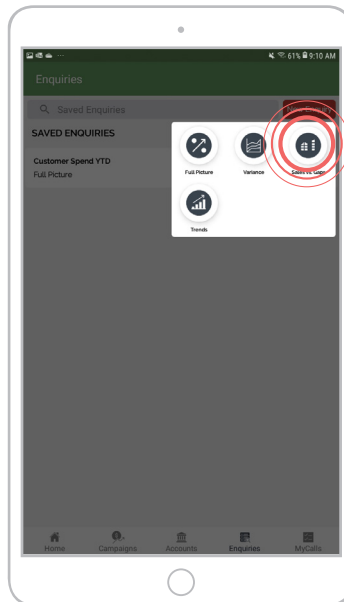

01 TAP ENQUIRIES

Go to the Enquiries section from the main navigation.

02 NEW ENQUIRY

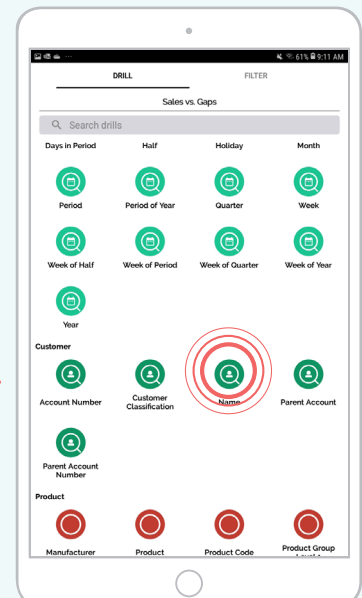

Create a New Enquiry from the top right hand corner and select Sales vs Gaps.

03 SEARCH

Select the available bubble that you want to drill into to load the relevant data.

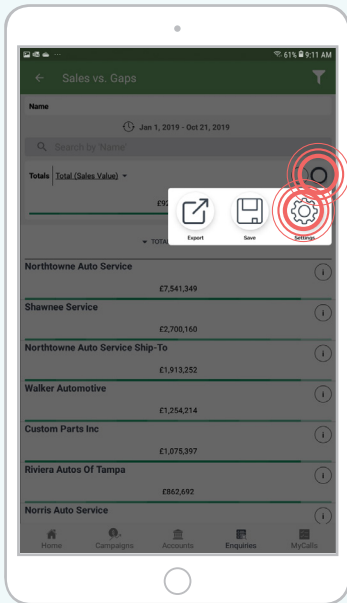

In this example, tap on the Name bubble.

04 SETTINGS

Click the icon to the right of the information icon on the upper right-hand side of the screen.

Tap the Settings icon from the now available menu .

05 CONFIGURE

Here you can configure your Sales Vs Gaps settings.

For example, you can change the measurement type to see profit or quantity, you can also change the period type to Day, Week or Quarter.

Tap Apply when you are finished.
