## How To Use Calendar Bubbles

Android

The addition of many new calendar bubbles will help you slice and compare your data like never before. Here are some explanations of the new calendar bubbles as well as a few suggestions for how to utilize these new date drilling options.

Note: these will only return results based in the overall date range at the top of the screen.

01

Allows you to break down sales by what was sold on Monday, Tuesday, Wednesday, etc.

DAY

This is great for looking at how sales vary from one day to the next and seeing which day tends to have the highest sales.

12 CALENDAR YEAR QUARTER

Shows sales by quarter, with a prefix that includes the year.

This can be helpful if you want to look at sales in chronological order, for example, from Calendar Q4 2019 to Calendar Q1 2020. Just click on the "Calendar Year Quarter" header to sort by that column.

# 15 FISCAL PERIOD

You can use this to see sales by the fiscal period, or month.

If your fiscal calendar begins in April, April would show up as the 1st period or month in this drill option.

You can use this to see sales by the fiscal quarter.

If your fiscal calendar begins in April, then sales for April, May, and June would show up as the 1st quarter in this drill option.
