## TRADE-INS AND REBATES MADE SIMPLE

- **CONTACT US TODAY:** Let us guide you on the right solutions. We will take into consideration your users, applications and core requirements as well as your upfront and ongoing cost of ownership.
- **PURCHASE A QUALIFIED PRODUCT:** Regardless of which qualifying product you select, you can be sure you'll be equipped for everyday operations and emergencies.
- **TRADE IN QUALIFYING RADIOS:** Your Motorola Solutions PartnerEmpower™ partner ("Channel Partner") will collect your trade-in units and issue a credit on your invoice.
- **SUBMIT YOUR REBATE CLAIM:** Register for your rebate by completing the online claim form up to 30 days after receiving your invoice.

### PROGRAM ELIGIBILITY: MOTOROLA SOLUTIONS RADIO TRADE-IN OFFERS / REBATE OFFER

Promotion Period: January 1 - March 31, 2019

- Only K-12 schools in the U.S. and Canada are eligible for the Trade-in Offers and the Rebate Offer. Void where prohibited or restricted by law.
- These Offers apply to purchases of qualifying devices (the "Qualifying Products") made during the Promotion Period. End users must purchase qualifying products from a Channel Partner.
- End users receive the discounts stated in the Trade-In Offers section of these promotional materials when they purchase the stated number of qualifying products and trade-in eligible products via their Channel Partner.
- Eligible Trade-in Units from Motorola Solutions or other manufacturers: business band conventional and trunked two-way radios, VHF two-way radios, UHF two-way radios, 200, 700, 800, 900 MHz two-way radios, and push-to-talk (PTT) cellular products (must include a PTT and a quick talk button). Specifically excluded from the Trade-in Offers are any device that falls into any of the following categories: FRS, GMRS, Marine, Amateur, Avionics, Scanners, CB Radios, SSB, Pagers, Repeaters and Cordless Phones.
- There is no maximum number of units that can be purchased or traded-in, but product must be purchased in the increments specified, must be purchased on a single invoice from Channel Partner, and the number of trade-ins must be in the increment specified, to qualify for the trade-in discount. Mixing of different trade-in values is not allowed. Channel Partner will credit End-User invoice based on the number of qualifying purchase and trade-in radios.
- Motorola Solutions radios cannot be returned once the trade-in claim has been submitted.
- Motorola Solutions is not responsible for the Channel Partner's failure to complete the trade-in process correctly.
- End users are eligible to take advantage of the various Motorola Solutions Trade-in Offers and Rebate Offer on the same order.
- Trade-in claims will be submitted by the Channel Partner from whom the End User purchased qualifying radios and repeaters. Channel Partner will submit claims online at [www.motorolasolutionspromos.com](http://www.motorolasolutionspromos.com) within 30 days after customer invoice.
- Rebate claims must be submitted online by the end user no more than thirty days after receiving an invoice, following the process: (a) End user goes to [www.MyRadioRebate.com](http://www.MyRadioRebate.com) (U.S.) or [www.MyRadioRebate.ca](http://www.MyRadioRebate.ca) (Canada) and follows the instructions to submit their purchase details. Email [MyRadioRewards@360incentives.com](mailto:MyRadioRewards@360incentives.com) or call 1-800-699-2512, if you need assistance in submitting your claim.
- Rebate will be made in the form of a pre-paid card issued to the purchasing entity within six weeks of rebate entry and is not intended as a gift, contribution, or benefit to any government official or employee or any other individual. Additional terms and conditions apply. See card website for details.
- Motorola Solutions is not responsible for misuse of rebate funds by officials or employees of the purchasing entity and, to the extent permitted by law, the purchasing entity agrees to release and hold Motorola Solutions and the Channel Partner harmless with regard to the purchasing entity's participation in the rebate program, acceptance and/or use of the rebate pre-paid card.
- Motorola Solutions radios cannot be returned once the rebate claim has been submitted.
- Illegible or incomplete forms will be considered invalid and ineligible for the Offers.
- Motorola Solutions is not responsible for any technical problems, malfunctions of any telephone lines, computer systems, servers, providers, hardware/software, lost or unavailable network connections or failed, incomplete, garbled or delayed computer transmission or any combination thereof that may limit end user's ability to participate in these Offers. Motorola Solutions is not responsible for any damage to any end user's computer system/ software or wireless phone relating to or resulting from participating or uploading any materials required for these Offers
- Fraudulent submissions could result in prosecution under U.S. Mail Fraud Statute (18 USC Section 1241- 1242). Motorola Solutions is not responsible for late, lost, mutilated, misdirected or postage due mail, or incomplete or illegible orders or reports and shall not be responsible for any shipping or invoice delays.
- Unless otherwise stated in these promotional materials, these Offers may not be combined with any other promotional offers, rebates, coupons, or discounts.
- Motorola Solutions is not responsible for late, lost, mutilated, misdirected, incomplete or illegible orders or reports and shall not be responsible for any shipping or invoice delays.
- Motorola Solutions reserves the right to modify, withdraw or cancel this promotion (in whole or in part) at any time with or without reason and without prior notice.
