## SAT Practice Test Checklist

You'll want to practice the same way that you would on test day. Use the checklist below to ensure that you're mimicking the steps you'll take for the real thing. For more information, take a look at the official notes on [The College Board's website](#).

Address: Enter address of Test Center

	Healthy, full breakfast (Recommended, 8:00 AM Saturday)
	Arrive at practice testing location (Recommended, 9:00 AM at Local Library)
	Timer (Recommended, kitchen timer)
	SAT To-Go Kit: "Admissions Ticket"
	SAT To-Go Kit: Photo ID
	SAT To-Go Kit: Two No.2 Pencils with erasers
	SAT To-Go Kit: An approved Calculator
	SAT To-Go Kit: EpiPen (if needed)
	SAT To-Go Kit: A watch without audible alarm (No Apple Watches)
	A bag or backpack
	A drink for break (Recommended, electrolyte drink)
	Snacks for break (Recommended, fruit, protein bar, or trail mix)

**SAT To-Go Kit:** We recommend keeping a pouch or zip-lock bag with all the items you'll need on test day, and bringing it with you each time you go to the library to take your practice test. This way, you'll have one less thing to think about the day of the real thing. Instead of your official Admissions Ticket, you can bring along this checklist, swapping it out for the real thing on the night before your real test.

**A bag or backpack:** During practice testing, be sure to place all distracting items in your bag, and don't take them out until you're done. Acknowledge the time and energy you've spent studying and give these practice tests your full attention. Nothing damages focus like a look at your phone to see what's happening on Snapchat or Instagram. Keep your head in the game- everything else can wait.
